LAKEVIEW, OREGON, JUNE 20, 1907

Some small boys recently became mischievous in Berkeley and threw stones into a greenhouse belonging to a Japanese, breaking a few of the panes. The Japanese government has taken the matter up and railed about it in the papers, and have endeavored to interest the United States government in the matter.

M. Marks came over from Warner Tuesday. He says work in the mines is progressing slowly, but that they have some fine prospects.

Robt. Allison, a mining man, who was here some months ago, and took a trip through the Nevada Mineral belt, has returned to Lakeview and reports none too favorable on some of the Northern Nevada prospects.

A civil service examination will be held at the forestry office in Lakeview on July 23 and 24, for the purpose of examining applicants for forest rangers.

Mr. Buck, head of the Oregon and Eastern railroad surveying crew, accompanied by his wife, was in Lakeview last week, attending to business at the railroad's headquarters in the First National Bank building.

The Magic No. 3.

Number three is a wonderful mascot for Geo. H. Parris, of Cedar Grove, Me., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bitters, and as a result I am a well man today."

Sallowness Transformed to Dusky Beauty. A dark skin becomes fascinating when delicately soft, underpinned with the radiant glow which indicates healthy, active skin. Robertine keeps the skin refined in quality, keeps pores free from clogging waste and stimulates the tiny capillaries to contribute the color which charms in blonde and brunette alike.
