

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. Consult your physician by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

The Creamery Proposition.

Mr. A. C. Skinner, of Prineville, is canvassing Lakeview this week to see what can be done in the way of organizing a company to build a creamery in Lakeview. He expects to raise about one half of the necessary amount in Lakeview, when he will go among the farmers for the rest. About \$3500 will be necessary to start the creamery going.

The creamery proposition is a thing that has been much talked of here and the need for such an institution is plain. There has not been year for some time that creamery butter has not been shipped in here from California, unless it is this year, and more than likely it will occur this year before the summer is over. With a creamery here such as Mr. Skinner proposes to establish, butter, the best in the world, could be shipped out instead of being imported.

Mr. Skinner has been successful in other places establishing creamery plants, and has given satisfaction in every way. From what we can learn of him from outside sources, we believe the people would make no mistake in supporting his proposition.

S.O. Cressler and wife and Mr. and Mrs. A. Bleber and daughter, Dorothy went down to the home of Mr. and Mrs. J. P. Duke about 8 miles below town last Sunday in Cressler's automobile, making the trip down in 30 minutes. There partaking of an elegant dinner, and returned to town in the evening.

The Fourth in Lake County.

The celebration in Lakeview was quite a success. A large crowd attended and all seemed to enjoy the occasion. The exercises in the court house square was all that was anticipated, the singing and speaking was excellent, the Declaration of Independence was read by Prof. Leavitt in an able manner. Miss Charlton performed her part in a graceful manner as Goddess of Liberty, and was very sweet and pretty in her dainty robes. The Misses Millie Reynolds and Edna Penland, acted as angel of Peace and their pretty faces quite became the title. The three young ladies were very beautiful in their handsome costumes. The handsomely decorated platform, arranged by expert hands at decorating, added beauty to the scene. The music by the band was excellent, and all told, the exercises were better than was expected, considering the short time in which the program was arranged. The childrens races and games in the evening were witnessed by many and enjoyed. The day ending as it did with a grand ball in the new Opera House, which was comfortably filled with dancers and spectators, and the fine music rounded out the Fourth of July festivities in nice style, and we believe everyone went home well pleased.

The Celebration at Silver Lake and other places in Lake county was successful in every way, so we learn. At Silver Lake two ball games were played; one between the Paisley team and the Silver Lake team, the latter winning by a score of 14 to 11. The next day the railroad surveying crew, camped near town, played the local team and won from the boys. The score not learned.

Mrs. S.T. Colvin writes the Examiner from Palmyra, New York, that she is at that place on a visit to her old home, and will return to Lakeview in a short time.

LOST: Team of driving mares, in the vicinity of Drews Creek or Dog lake. One bay mare branded JO; one brown mare branded ace of clubs on left stifle. I will pay a liberal reward for the return of the animals to Lakeview or where I can get them.

A Wonderful Happening

Port Byron, N. Y., has witnessed one of the most remarkable cases of healing ever recorded. Amos F. King of that place says: "Bucklen's Arnica Salve cured a sore on my leg with which I had suffered over 80 years. I am now 85." Guaranteed to cure all sores, by Lee Beall, Druggist 25c.

Lorenz Again in the Toils.

C. B. Parker came over from Adel last Sunday evening and swore out a warrant for the arrest of Charley Lorenz, on a charge of horse stealing, and in company with Mr. Parker, the sheriff went over Monday and brought Lorenz to town. The preliminary hearing is set for to-day. Dent went back to Warner Tuesday after witnesses. It was reported here Tuesday that the horse Lorenz was charged with stealing had been found, but there seems to be more trouble awaiting him should he escape prosecution on that charge. It is reported that he drove a bunch of horses from down near Cedarville, to Warner and had them in his corral, and later the horses were found up in the rimrocks with fresh brands on them. If this is true, it is likely that Modoc county will want a turn with him. Mr. Lorenz has had some experience in the courts of this county, having served out a sentence in the county jail for stealing hay, and was also fined forty dollars for pointing a gun at an officer.

The Trap Shoot.

Another trap shoot took place on the Fourth. Some very good scores were made. Harry Bailey, W. R. Steele and Lee Beall took five shots each, and quit the game. It was easy to see through their score (0). The score made by those who shot the full twenty-five shots is:

Armstrong	17	Conn	15
Thornton	16	Boyd	18
F. D. Smith	16	Ingram	16
Auten	18	W. R. Bernard	8
Dyer	16	T. E. Bernard	15
Proudfoot	18	Massingill	13

The club is out of blue rocks, and their next meet will be delayed until more can be secured.
