Miss Mae Miller, Miss Jennie Mikel and Mrs. Wm. Each of the ladies represented some railroad town in California.

The Charming Woman
is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Dist. Atty. Moore returned from a week's visit to Paisley Monday. He informs us that his wife, who is visiting with the family of Alvin Moss, fell out of a hammock last Sunday, striking the ground on her head and shoulder. At first she thought she was not hurt much, but the injury grew more painful until it was somewhat serious.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

LAKE COUNTY ABSTRACT CO.
INCORPORATED

A COMPLETE RECORD

We have made an entire transcript of all Records in Lake County, which, in any way, affect Real Property in the county.
We have a complete Record of every Mortgage and transfer ever made in Lake County, and every Deed given.

ERRORS FOUND.

In transcribing the records we have found numerous mortgages recorded in the Deed record, and not indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and are most difficult to trace up from the records.

We have notations of all these Errors:
Others cannot find them. We have spent hundreds of dollars hunting up these errors, and we can guarantee our work.
