

A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manageable; to keep it from being frizzy, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fed hair will be strong, and will remain where it belongs—on the head, not on the comb!

We understand that George Wingfield purchased a fine farm near Auburn, California and presented it to his mother and sister, Mrs. C. E. Campbell, of Paisley, and requests them to go there and make their future home. Mr. Wingfield also said there was some old people in Lakeview that were not getting along very well, who had been pretty good to him when he was a boy, and he was going to remember them when he got back home.

The estate of Joseph Harvey who died in San Francisco two weeks ago, is said to be worth between \$400,000 and \$500,000. One half of the estate was willed to his wife and the remainder was divided between two brothers in Australia, two sisters in Ireland, three children of one of the sisters, the son of John Harvey a brother who died in Tehama county some years ago, and the two sons, Willie and Joe, of Mrs. Wm. Harvey of Lakeview.

Dist. Attorney W. J. Moore returned from Ashland Monday evening, where he went to take his wife and daughters home. He says Mrs. Moore is yet suffering from the fall she received at Paisley, her neck having been severely wrenched.

Some thief entered the Smith barber shop one day recently, while two of the barbers were at dinner and Frank Smith was out on the porch looking at Wingfield's automobile start for a run, and stole what silver there was in the till. Smith says the fellow got but a few dollars. Its a pity such scoundrels are not seen at their work and an example made of them occasionally.

LAKE COUNTY ABSTRACT CO. INCORPORATED
A COMPLETE RECORD
We have made an entire transcript of all Records in Lake County, which, in any way, affect Real Property in the county.
We have a complete Record of every Mortgage and transfer ever made in Lake County, and every Deed given.
ERRORS FOUND.
In transcribing the records we have found numerous mortgages recorded in the Deed record, and not indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and are most difficult to trace up from the records.
We have notations of all these Errors:
Others cannot find them. We have spent hundreds of dollars hunting up these errors, and we can guarantee our work.
