A Memorable Day.
 One of the days we remember with pleasure, as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c at Lee Reall's Drug Store.

Women Who Wear Well.
 It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.
 As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and figure once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several woman's peculiar ailments.
 For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve nicy adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.
 Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

The Publisher's Claims Sustained

UNITED STATES COURT OF CLAIMS
 The Publishers of Webster's International Dictionary allege that it is in fact the popular and most thoroughly tested and successful dictionary ever published in any language, and that the purpose of adapting it to meet the larger and severer requirements of another generation is to be the source of constant reference.
 We are of the opinion that this allegation is most clearly and accurately described in the work that has been accomplished and the result that has been reached. The Dictionary, as it now stands, has been thoroughly tested in every detail, has been corrected in every part, and is admirably adapted to meet the larger and severer requirements of a generation which demands more of popular educational knowledge than any generation that the world has ever contained.
 It is perhaps needless to add that we rely on the dictionary in our judicial work as the highest authority in accuracy of definition; and that in the future as in the past it will be the source of constant reference.
