Yes, 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to do for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

It is the most important cause of bad blood is a sluggish liver. This causes constipation. Poisonous substances are then absorbed into the blood. Keep the bowels open with Ayer's Pills.

"Just like Mother used to make" was the report of the excellent dinner given by Grandma Russell to a few friends last Thursday evening. Such delicious fried chicken—such succotash fit for the gods, and every other toothsome dainty the season affords, was set before the delighted guests, who will long remember their kind hostess, and the feast prepared by her for them.

We received a letter from Mr. Winslow Bayley, who went to Portland a couple of weeks ago on a visit. Mr. Bayley says: "I arrived here Monday, Sept. 16, without any serious mishap. I was at the State Fair one day, last Friday. It was a splendid fair and well patronized. I met Dr. Steiner and wife at Salem. My folks here are all well." Mr. Bayley's address is 1385, Curtis Ave., Portland, Ore.

The boys have a new "stunt" now, equal, if not superior to the "Only Jumping Jack's" trick. In order to tell about it we must confess that we have a bottomless chair in the Examiner office. (Kept especially for beligerent visitors.) This chair has a rather high back and the boys stand behind this, jump over it, through the bottom and stand erect on the floor. It is really a hair raising feat. They will soon start on the road with big posters headed "The Two Wonderful Jumpers: Jumping Jimmie & Jumping Walter."

### University of Oregon.

The University of Oregon at Eugene opened its doors Tuesday, September 24th. The first and second days registration has shown an increase of more than twenty per cent over the registration of the same time last year. Almost every high school and academy in the state is represented, and a large number are presenting credentials from eastern preparatory schools. This year will mark the highest point in enrollment that the university has ever reached. The very serious question that is presenting itself is how to take care of students. The lack of funds has made it impossible to furnish and heat all of the rooms in the library building, and for the same reason, the new girls' dormitory will have to lie idle for the year. Students, however are adjusting themselves readily to the conditions, and the outlook for the year's work is exceptionally good.
