

We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, purgatives are absorbed, causing head-aches, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetation.

H. B. Stevens, of Silver Lake, has been up to Prineville to erect a monument on the graves of his parents.

Last Thursday while riding the range, W. C. Neff, head forest ranger, was painfully injured by his horse falling with him. His collar bone was broken. Mr. Ingram brought him in from Dog Lake to have the bones set. Mr. Neff is getting along nicely.

The move made by Engineer Mr. Murphy, offering \$3 a day for laborers, produced the desired result, says the Klamath Falls Republican, and laborers are flocking here from all over the Coast, and he now has nearly enough men to dig the Keno canal.

Dr. Witham of Paisley states that he will leave for Europe about the first of November to take a post-graduate course in medicine. He will return home about March first. He will visit his parents in England while abroad. Mrs. Witham will not make the trip.

The O'Malley Sisters, advertised in The Examiner to be in Lakeview Oct. 25th, are well known here, and as they have heretofore given high-class performances here, we do not hesitate to announce their coming with full confidence that their performance will be up to the standard.

Mr. J. W. Hatfield, representing the Smith Premier Typewriter Co., made Lakeview a visit this week. He had some beautiful machines to show, and succeeded in selling several. The Smith Premier is well known to be a standard machine, and there can be no doubt as to its great qualities.

Mr. and Mrs. W. D. Woodcock, who came up from Reno last week on a visit with their son and daughter, Mr. E. E. Woodcock and Mrs. G. W. Johnson and their families, expect to go to California this winter. Mr. Woodcock has been in the blacksmith business in Reno for three years, and sold out his shop there recently.

B. Schroeder came down from Siletz, arriving here Sunday, with a horse which he delivered to Bailey. He was eight days on the road. Gus says the roads are getting terrible, in some places unsuitable for heavy teams. One in Summer Lake valley, he says, had to go through a field.

Mrs. W. H. Shirk and her mother, Mrs. Crow, left for Reno and Berkeley last Saturday. Mrs. Crow will not return to Lakeview this winter, but Mrs. Shirk expects to return about the holidays. The people of Lakeview have learned to love Mrs. Crow, that her departure for an extended absence is attended by many regrets.

A Tonningens and wife, of Ontario, Oregon, Miss Gene and Annie Tonningens arrived here first of the week, and will remain about a month on a visit with old friends and relatives. Mr. and Mrs. Tonningens will return to Ontario at the end of that time. They are enjoying the pleasure of the lineup at the land office. Asmus says they are doing nicely in the hotel business at Ontario.

Simple Home Recipe.

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one half-ounce; Compound Kargon, one ounce; Comound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bed time.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties.

This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism. Some persons who suffer with the affections may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended.

It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

Raise Good Horses.

Mr. Joel McCullough, the gentleman who has been selling fine stallions here for the past year, brought from Iowa, arrived here first of the week with a couple of fine three-year-old stallion colts that are simply great. Mr. McCullough says he intends to make this valley his Western headquarters for a few years, at least, and will endeavor to keep always on hand a supply of the best stallions to be had in the world for sale. He says this is now the greatest undeveloped country in the United States; he has traveled all over and has seen nothing like it anywhere. He has written to friends of his in the East, who have money to invest, and believes they will come here to investigate. Mr. McCullough, and his business is welcomed in this county, as the raising of good horses is a sure and proper pursuit.

O'Malley Sisters Coming.

Professor O'Malley's musical, dancing and comedy company, eight up-to-date performers, will give a two hours' performance on Friday and Saturday evenings, Oct. 25th and 26th. Songs, dances, music, mirth, mimicry, funny acts and farces. Social dance after the show. This is said to be one of the best shows on the circuit, and as a laugh, is better than a doctor's prescription; come out and get cured of the blues. Reserved seats for sale at Thornton's Drug Store. 42-2

La Grande an Advertiser.

The La Grande Commercial Club has taken advantage of the fact that the passenger trains stop there from ten to fifteen minutes while changing engines, baggage, etc., and have erected an exhibit building, and before the trains reach the depot an announcement is made that all who desire to do so can get off and look through the exhibit hall. A lecture is delivered to the passengers. Twice a week the ladies distribute flowers to each and every passenger and place beautiful bouquets on each table in the dining car, accompanied by a card "Compliments of La Grande." On some occasions they have distributed prunes to every passenger, and placed prune jelly on each table in the dining car, accompanied by cards bearing: "Compliments of La Grande. Made from Grande Ronde prunes with Grande Ronde sugar." Distributions of apples is advertising that cannot help but bring results.

Stood off the Hazers.

About 30 second year students at the Corvallis Agricultural College undertook to haze Robert Olph, a first year student from Prairie City, Grant County, a few nights ago. Young Olph fought the hazers so spiritedly and warned them that someone would get hurt if they did not leave him alone, but the threats only spurred the hazers on.

Olph was to get a ducking in the fountain as the first step to hazing. He finally drew a pocket knife and began slashing right and left. Two of the hazers, John Kelley, of Eugene, Richard Skibbie, of The Dalles were seriously cut. This is believed to be the end of hazing at the Agricultural College.

Hard Times in Kansas.

The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of to-day; although a citizen of Cadell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold cure and lung and throat healer ever discovered. Guaranteed by Lee Beall drug store 50c and \$1.00. Trial bottle free.

Oregon, an Egg Importer.

Mr. W. B. Glafke, a member of the Board of Governors of the Portland Commercial Club, has put before the Club some intensely interesting figures on the poultry and egg business, for general circulation throughout the State. One hundred carloads of eggs alone were shipped into the State of Oregon during the past twelve months. These would average the year round, \$260,000 per car. Oregon growers supply the chief demand for turkeys, ducks, geese, and chickens, but four times the present production would find a ready home market, while in eggs we might multiply by ten and still the prices would pay as well as any product grown either on the farm or in the orchard.

His Dear Old Mother.

"My dear old mother who is now eighty three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Lee Beall Druggist. 50c.

Out of Sight.

"Out of sight, out of mind," is an old saying which applies with special force to a sore burn or wound that's been treated with Bucklen's A. R. Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Lee Beall, Druggist. 25c.

A Criminal Attack

on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following liver torpor. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels, 25c. at Lee Beall's drug store.

Geo. Winkelman tells a joke on the buccaroos up north. He says while he was helping on a roundup this fall the boys got him onto a bucking horse. He surprised them by riding the broncho, straight up, without logging. He said it reminded him of olden days, when he "use-to-could" ride.
