I. N. Converse. 42-2

WEEKLY WEATHER REPORT.

Below we give a report of the weather as recorded by the Government weather bureau station at The Examiner Office. This report is changed each week, and if our readers wish to keep a yearly record of weather conditions for future reference, cut out the report along the black line and paste it in a scrap book one week after another. This record will be taken on Tuesday to end each week and begin on Wednesday for the next week. Government Weather Bureau Station at Lakeview, Oregon. C. O. MATZKEK, Cooperative Observer.

Week ending Tuesday, Oct. 15, 1907

.The Progressive Store..

We are DOING, not promising. Doing things that treat your interests and our own as ONE. You cannot buy goods here without plainly seeing this fact. Many have seen it, and are now frequent purchasers at our counter, who have not been accustomed to buying here. They tell us we are sure to win. We know that we shall succeed, for the reason that we never win alone. Another invariably wins with us. We don't believe it necessary that we should here, urge you to come to us. You WILL come, WITHOUT our urging. The facts are coming to the knowledge of Lakeview people in a quiet way, but the knowledge WILL spread, the facts cannot be hidden. Ladies are telling them to their friends. High sounding words have no place in our business scheme.

Every sale we make appeals to the buyer with effect, and she cannot conceal her satisfaction from her friend. You will come.
