

# Is Your Hair Sick?

That's too bad! We had noticed it was looking pretty thin and rough of late, but naturally did not like to speak of it. By the way, Ayer's Hair Vigor is a regular hair grower, a perfect hair tonic. The hair stops coming out, grows faster, keeps soft and smooth. Ayer's Hair Vigor cures sick hair, makes it strong and healthy.

Mr. H. F. Higby, special agent of the Interior Department, with headquarters at Portland, arrived in Lakeview first of the week on an inspection tour of the various U. S. land offices of the state. He will probably remain here until after the 28th. Mr. Higby was in charge of the Roseburg land office during suspension of business there a couple of years ago.

Last Saturday a very exciting ball game was played between the two "kid" teams. South Lakeview and North Lakeview, resulting in victory for the latter. In the 9th inning the score stood 14 to 14 and another inning was played. North Lakeview run in four men while South Lakeview failed to tally, making the score 14 to 18 in favor of North Lakeview.

Dr. Geo. Gilbert Bancroft informed The Examiner man the other day, while talking about people and circumstances, that Bob and Eva McGinley, who used to play Lakeview every year, were living in a fine home of their own in Duluth, Minn. Bob, he says is worth about \$300,000 or \$400,000, having made a pile of money out of some oil lands in which he invested some years ago in California.

C. E. Campbell and wife and Mrs. M. Wingfield went to Adel Monday to straighten up the affairs on the Wingfield ranch and get the stock in shape for winter. Only for the kindness of the Warner stock men, Mr. Wingfield's cattle interests would now be in very bad shape, fate having thrown his interests at the mercy of his neighbors at a time when stock were being gathered for fall handling.

Anyone wishing to invest in a good piano will not lose by calling on C. C. Price the piano instructor. He is agent for the A. J. Pommer Co. of Sacramento; a good reliable firm, and well known. Mr. Price worked for them before coming to Lakeview, therefore knows their good pianos from any others. He has sold a number of their pianos here in the last few months and they have given satisfaction. Persons thinking of buying one are invited to call and see the Foster he has in his home at present, or ask his advice which will be given freely. 43-2.

## New School Law.

J. H. Ackerman, superintendent of public instruction, has issued a circular letter calling attention to the new law governing examination of applicants for state certificates. The circular follows:

Will you kindly see that all persons under your supervision who expect to become applicants for state certificates or diplomas fully understand the following:

1. State Certificates—Applicants must take examination in three successive examinations on the 19 subjects specified in subdivision 6, section 6, School Laws of Oregon, one of which is English literature.

2. State Diplomas—Applicant must pass an examination on botany, plane geometry and general history, which may be taken at any one examination during the life of his state certificate. This is on the assumption that the applicant takes out state certificate before he takes out a state diploma. If the applicant wishes to take out the state diploma at once he must complete the 22 subjects in three successive examinations.

3. All of the foregoing takes effect in February 1908

CHARLES E. RICE. — Director Lakeview Citizens Band, will give lessons on all brass instruments—cornet and slide trombone a specialty—also mandolin. Lessons given amateurs on violin. 23-1f.

## Card of Thanks.

To the many friends, both of Warner valley and Lakeview, or come from where they may, who came to us in our hour of trouble, and contributed with untiring energy all that human kindness and skill could suggest, to help and comfort, we return most heartfelt thanks, and although such devoted friendship cannot remove the sad memories that linger around the vacant chair, it brings into view the brightest side of humanity and throws the pure light of an unselfish friendship into a darkened home. May the time be far distant when those friends who gathered around us will need similar attention, but when life's race is run with them may they receive the same full measure of generous aid and tender sympathy they brought to us in our hour of bereavement.

## In the Shade of the Old Apple Tree

In the shade of the old apple tree I've waited so long, love, for thee, that the voice—once I heard, grows faint with each word, till its barely a whisper in the bee, the blossoms are withered, ah, me!—and the tree that once grew where I waited for you, has changed to an old chestnut tree. In the shade of the old apple tree, where you heard the blazed buzz of the bee, with a big carving knife that I swiped from my wife, I am waiting and watching—by gee! Of daggers I have two or three and an ax and a cutlass, you see; and I'll stick all these things in the next guy who sings, "In the Shade of the Old Apple Tree."

## Hard Times in Kansas.

The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of to-day; although a citizen of Cudell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. Kings New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold cure and lung and throat healer ever discovered. Guaranteed by Lee Beall drug store 50c and \$1.00. Trial bottle free.

"My dear old mother who is now eighty three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by Lee Beall Druggist. 50c.
