LAKEVIEW, OREGON, OCTOBER 31, 1907.

The stage lines running into Lakeview are wholly inadequate to furnish the service expected of them, and to give the service for which they accept pay and promise to furnish. There is we presume, no way to compel stage companies to deliver freight, unless they take the goods and contract to deliver them, and when they do they should be, and are expected to make delivery within a reasonable time.

When the contest was fairly on for the best potato raised in Goose Lake valley, the different contestants being announced in The Examiner, Mr. J. R. Bernard, one of the old settlers of this valley, unearthed one of the finest ones that we have seen from his garden in Lakeview. It will be taken to Reno to be placed on exhibit there in the office of the Overland Banking and Realty Co., by Mr. Hibbard, who is making a collection of fine fruits and vegetables from this valley. Goose Lake valley will become prominent through the combined efforts of Mr. Hibbard and the farmers of this valley. We may expect soon to receive our just recognition throughout the world.

A source of regret in The News office is that we haven't seen columns more each week for reading matter, so that we could clip the bright and brainy gems from the editorial columns of our exchanges, which are just full of good things these days. The newspapers of Oregon are well conducted and reflect great credit on the state.—Harney County News.

The Weed and the McCloud sawmills have been shut down for the season because the Southern Pacific does not furnish them cars to ship the lumber. About 400 men have been paid off. These mills have cut nearly 200,000,000 feet of lumber this season, and have a large stock on hand.

The price of barley jumped to \$1.90 per hundred in the vicinity of Redding, California, last week. Whole barley is worth \$1.50 per hundred in San Francisco.

Save this Anyway.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; pain and discolored urination, are readily overcome. Here is the recipe: try it. Fluid Extract Dandelion, one-half ounce; Compound Kargon one ounce; Compound syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and fowl, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

Out of Sight.

"Out of sight, out of mind," is an old saying which applies with special force to a sore burn or wound that's been treated with Bucklen's A. Salva. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Lee Beall, Druggist. 25c.

A Criminal Attack

On an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following liver torpor. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels, 25c. at Lee Beall's drug store.

His Dear Old Mother.

"She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them.
