What We Can Learn From Japan

By OSCAR S. STRAUS, Secretary of Commerce and Labor.

JAPAN, ALONE AMONG NATIONS, has given the world an example of how a people can throw off the shackles of an oppressive autocracy and endow itself with all the safeguards of liberty and justice under a constitutional form of government WITHOUT GOING THROUGH THE TERRIBLE STRUGGLES AND DEVASTATION OF BLOODY REVOLUTIONS by following along the paths of peaceful evolution.

Japan is the land of LIBERTY, CIVIL AND RELIGIOUS. Her religious liberty is even far in advance of nations who pride themselves upon this most precious of national virtues. Her people have no prejudices based upon religious or ecclesiastical grounds, and all men of every church and creed are free and equal to worship their God in accordance with the dictates of their own conscience in the fullest and widest acceptance of the meaning of religious liberty.

JAPAN, WHICH HAS LEARNED MUCH FROM THE WEST, HAS EVEN MORE TO TEACH THE WEST.

Persistency, self control and preparedness are among her NATIONAL QUALITIES; her officers exemplify the highest skill united with the highest patriotism; her soldiers, while reckless in their bravery in sacrificing their own lives, are uniformly humane even to their enemies, and no nation is served by a more competent diplomatic body—men of reliability, judgment and moderation.

Decline of Our Family Life.

By Professor SHAILER MATHEWS, Dean of the University of Chicago Divinity School.

DIVORCE is increasing with ALARMING RAPIDITY. The conditions are much the same today as in the days of Jesus, when He forbade divorce, although it had become so common that a man might divorce his wife merely because she was not a good enough cook. So with us, the family has become a mere conventionality and a matter of personal convenience.

THERE ARE MANY YOUNG MEN AND WOMEN WHO ARE GROWING UP WITH THE IDEA THAT MARRIAGE, WHILE IT MAY NOT BE SIMULTANEOUSLY, AT LEAST MAY BE SUCCESSIVELY, POLYANDROUS AND POLYGAMOUS.

We fail to take our family relations with sufficient seriousness. WE GO INTO FAMILY RELATIONS WITH THE SAME SANG FROID THAT WE GO ON A PICNIC. It is so much easier to write books about child training than it is to bring up boys and girls.

We have need of better laws on divorce, we need better protection for children, but it is the business of the church to see that we have NOT MERELY BETTER LEGISLATION, BUT BETTER PEOPLE.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it; but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every taint or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant arrangements.

The best agents known to medical science for the cure of the above symptoms are the conditions, as attested by the writings of leading teachers and practitioners of all the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request to Dr. E. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.
