Mr. C. C. Cannon was up from Pine Creek last Saturday to make proof on a timber claim. He informed us that he had at last gotten his grain threshed, and that after losing nearly one-third of the crop, as a result of the early rains, he had forty bushels to the acre.

Lost—Leather Purse, contained money, a check, and a receipt from the Lakeview Water Co. Finder leave at the Examiner office or the First National Bank, where a suitable reward will be paid, and the property identified by the owner before delivery is made.

The Klamath Falls Republican tells of an 8 pound potato exhibit in the Falls, which was raised in the vicinity of Bray, on the Otey ranch. This the largest potato yet heard of, and ought to be put along side of the 32-pound turnip in the Examiner office, which was raised by Mr. Stanley, of Paisley.

Harry Roberts has purchased the J. C. Dodson interest in the JJ cattle ranch. Mr. Roberts is an experienced cattleman, having held positions as foreman on various big cattle ranches in Lake county for several years. His success is assured. W. Z. Moss owns a half interest in the business, he and Dodson having bought G. W. Mapes out some months ago.

T. C. Welch, who has been employed by the Flannigan sheep owners for several months, came into Lakeview from the range last Friday, having resigned his position, when the sheep were started to the Nevada desert for the winter. Tom visited around this city for a few days, and will go to Paisley for a while.

Mr. Dan Lamb, of Vale, Oregon, who has made a success of the sheep business in Malheur county, is here looking at the country with a view to buying sheep or land. It is to be hoped that Mr. Lamb will decide to invest here, as this class of citizens, men with money and an energy to make more, are the kind Lake county wants.

The Ladies' Aid will give their Bazaar December 6th, in the Opera House. They will serve sandwiches, Hot Tamales with sauce, Candies and Popcorn. A. F. Fitzpatrick, superintendent of the Chwaucan Land & Cattle Co's, Lake County ranches, passed through Lakeview last week with 100 head of the ZX horses, which he is taking to the company's ranch at Bakersfield, California. Al Farrow, of Paisley, was with him. In the outfit were the big brood mares, the jacks and the race stallions that have been kept on the Chwaucan ranch for several years.

Mix the following by shaking well in a bottle, and take in teaspoonful doses after meals and before bedtime: Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggists.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, over coming Backache, Bladder weakness and Urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those that have tried this says that it positively overcomes pain in the back, clears the urine of sediment and regulates urination, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not acting in a healthy manner should mix this prescription at home and give a trial as it is said to do wonders for many persons.

The Scranton Pa. Times was first to print this remarkable prescription, in October, of 1906, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburg and other cities have made many announcements of it to their readers.

The Examiner has engaged the services of Mr. J. F. Salcido, an experienced newspaper man, to solicit business for this paper. Mr. Salcido is on a trip over in Klamath county. He is authorized to collect money on subscription, receipting for same.

It will be remembered by those timber seekers who visited Lakeview a few weeks ago, that some dissatisfaction was had regarding a piece of timber upon which Mrs. J. E. Norin was located. Mrs. Norin finally succeeded in getting the only timber fling on the claim, as Geo. Storkmann withdrew his fling, and it is not believed that the homestead entry will be made by the other litigant, Chas. Stindt.

\$100 Reward. \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J.
