### School Notes.

To the Public: If you have business with our pupils, please call during the intermissions; they are from 10:30 to 10:45, and from 12 to 1, then again from 2:30 to 2:45.

We are here for business, not to answer calls and send pupils to the door to be interviewed.

Young man: When you want to see your best girl, call at her home. Her mother may want to form your acquaintance.

We cordially invite visits from patrons of the school, or from any one interested in the school work. Please do not be formal and rap on the door to announce your presence, but just pull the "latch string" and walk in. If you see a vacant seat, sit down, but if there are none, do as we do; stand up.

Our primary department is crowded to its utmost capacity, making it impossible for us to take another beginner this term. We will still endeavor to make room for pupils that have done at best six months work in some primary department.

John Lewis enrolled in the 8th grade Monday, making the total enrollment of the High School room 28, 30 in the 8th grade and 29 in the High School.

Walter Dykeman, a High School boy, who was absent last week on account of illness, is back at his old post.

Jon McDonough has taken a new start and entered the Seventh grade after an absence of several weeks.

We, of the High School room, are entitled to a half holiday for "polishing up the school house yard."

Stella Walker has again entered the Fourth grade after an absence of five weeks.

Daly Dent is absent from the Third grade on account of sickness.

All of the Fourth grade boys were perfect in attendance last month.

Nody Miles entered the Fifth grade Monday.

The banner was awarded to the Primary room for the best attendance during the month.

Sadie Wilson and Lena Bradley have entered the First grade.

Paris Spangenberg leads the Second grade with an average of 97 for the month.

Gracious Goodness, but wouldn't a Gymnasium be fine these stormy days?
