To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture:

Fluid Extract Dandelion, one half ounce; Compound Syrup Sarsaparilla, three ounces.

These simple ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well known authority in a Cleveland morning paper, forces the clogged up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism. As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism. Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

"Uncle" J. I. Morrow, of Warner valley, passed through town this week on his way east on an extended visit. He will first visit his son, Joe, at White Lake, Klamath county, for ten days, and from there he will go to Myrtle Creek, where he will visit old friends and relatives for a couple of weeks. He then goes to Salem and Portland to see his attorneys and the governor. From there he will go to San Francisco, where he will take the Southern Pacific for Texas. From Texas he goes to his old home in Missouri, where he will remain till March, aiming to return home in April.

The Ladies' Aid will give their Bazaar December 6th, in the Opera House. They will serve sandwiches, Hot Tamales with sauce, Candies and Popcorn. They will offer for sale, aprons and other articles of clothing also about fifty nicely dressed doll for Christmas. The fish pond will be well stocked with desirable varieties of fish. Come and have a good time as well as help a good cause.

Moss-Morris.

Miss Pearl Moss and Mr. C. H. Morris were united in holy matrimony last Sunday at 11 o'clock at the home of the bride's parents, Mr. and Mrs. S. P. Moss in this city.

Judge Daly performed the ceremony. The wedding was a quiet one only a few of the relatives and intimate friends being invited.

The bride is the youngest daughter of Hon. and Mrs. S. P. Moss and was raised in Lake county and has many friends and acquaintances who will wish her great happiness.

The groom is a Lake county raised boy, the son of Mrs. Geo. W. Morris. For several years he has worked as a vaquero on the cattle ranches of the county.

The happy couple are the recipients of a number of elegant presents. The Examiner wishes them a long and happy life.

They went to Adel yesterday, where they will make their home.

It was reported last week that W. H. Barr, of Santa Rosa, was dead. Such was a mistake. E. S. Rice and wife returned from there last Sunday and say he has been very ill with pneumonia, but that he was better when they left him.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. The Secret of a Beautiful Face

lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the line-less softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.
