

A TRIP AROUND THE WORLD FREE

Beginning Saturday, December 7th. We will give away each day, A Trip Around The World Free, to our CASH CUSTOMERS.

This Trip Around The World consists of an "Aluminum Crystal Lens" Stereoscope. A most beautiful, laughable, interesting and exciting collection of one hundred colored stereoscopic views from every land, also twenty five interesting views of the San Francisco disaster.

This is our plan. Strict account will be kept each day of CASH purchases made by our customers and the person buying the most goods and paying CASH will be presented with one of these Trips Around The World on the following day.

We have just twenty of these Trips to give away and any one can compete for a set. Your purchase may be ever so small, but every purchase will be recorded and totaled at the end of the day's business, and the largest amount of money spent will entitle you to the prize. This applies to all goods sold and we urge you to make your purchases here and take advantage of this, most liberal offer ever made in Lakeview.

Badly Mixed Up.

Abraham Brown of Winterton, N. Y., had a very remarkable experience he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth blood poison and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed to cure blood poison, weakness and all stomach, liver and kidney complaints, by Lee Beall, druggist, 50c. O. S. Woolver, one of the best known merchants of Le Raysville, N. Y., says: "If you are ever troubled with piles, apply Rucklen's Arnica Salve. It cured me of them for good twenty years ago." Cures every sore, wound, burn or abrasion. 25c at Leo Beall's Drug Store.
