

My Hair is Extra Long

Feed your hair; nourish it; give it something to live on. Then it will stop falling, and will grow long and heavy. Ayer's Hair Vigor is the only genuine hair-food you can buy. It gives new life to the hair-bulbs. You save what hair you have, and get more, too. And it keeps the scalp clean and healthy.

J. W. Duncan received a letter from his wife this week, in which she stated that they reached San Francisco safely. It will be remembered that Mrs. Duncan and children, Mrs. Best, and R. A. Hawkins and family all left here together for the city a few weeks ago. They had quite an exciting experience while crossing the bay on the ferry boat, which carried the passengers from two train loads of people. A dense fog prevailed, and the ferry boat ran into a coal barge and so disabled the boat that it was unmanageable and drifted around the bay for several hours. The boat was finally jammed, and some of the passengers were injured, but were all more or less frightened.

A Real Wonderland.
South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by Lee Reall druggist, 50c and \$1.00. Trial bottle free.
