WITH one ribbon and its new three-color device

The New Tri-Chrome Smith Premier Typewriter

is virtually three typewriters in one. It produces indelible black, purple copying or red type-writing at the will of the operator. One ribbon and a small, easily operated lever do it all.

This machine permits not only the use of a three-color ribbon, but also of a two-color or single color ribbon. No extra cost for this 1906 model.
