

Why Refer to Doctors

Because we make medicines for them. We tell them all about Ayer's Cherry Pectoral, and they prescribe it for coughs, colds, bronchitis, consumption. They trust it. Then you can afford to trust it. Ask your own doctor.

W. B. Barnes, a former Lake County man, and at one time assessor of this county, will make the run for sheriff of Klamath county this spring.

The Hunting Tel. and Tel. Co. has declared a dividend of 15 per cent. This company has been in existence but a short time, and through the able management of the officers, has prospered.

We are having numerous inquiries for Lake county lands, and at this time have prospective buyers for 1500 acres of unimproved or partly improved land. Drop in and hat with us. Pacific Land Co.

The contest case between W. E. Anderson and L. A. Booth, was compromised yesterday morning by Anderson buying Booth off, Booth having fled a homestead on the land in controversy, and Anderson a timber claim.

There were a couple of good days for ice last week; the coldest spell of the winter. The Government weather instruments at The Examiner office registered 6 above on Friday night, which was the coldest night this winter.

The interior of the postoffice is being remodeled on the inside. The rearrangement of the boxes and changing the money order window to the other side of the office, will be a change, if nothing else, and will make things look new. In fact, there will be a really new feature, as new boxes have been provided.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
