ALL OVER THE HOUSE.
 Suggestions as to the Diet of Agricultural Persons—Notes.
 When people become old and inactive much less food is required. It should be light and easily digested. Variety in the mode of cooking and serving the food should be sought for.
 A small amount of meat plainly cooked may be given once a day, but never give reheated meat to an old person or fried food of any kind. Poultry, game and fish are better than meat, which is often too stimulating.
 Well cooked potatoes and green vegetables may be served; also vegetable soups, cream soups and simple meat broths, milk puddings, custards, soft cooked eggs, stewed fruit, tea not too strong and light cocoa.
 Irritants, such as condiments, acids, highly seasoned sauces, etc., should be avoided. Well cooked cereals, with a little cream, are excellent for the evening meal, but if not well cooked there are few foods more clogging to the digestive organs. Bread should be two days old, and only plain cake should be allowed.

For the Complexion.
 Nothing cleanses the skin like steaming. Do it this way if you would avoid wrinkles: Take a basin of water softened with a pinch of borax and place it where it will keep hot. Have ready some long strips of cloth and dip these in the hot water. Bind on the face and leave on until the skin begins to perspire freely. In a short time the moisture will break out as though in a Turkish bath. The face is being cleansed. Finish with a skin food massage and a dash of cold water.

A Neat Patch.
 To mend the knees of little boys' trousers so they will look as well and wear as well as when new rip the seams as far up as worn, cut away the worn part, take a piece of cloth like the garment, sew straight across the front, carefully matching the goods; press the seam well, then shape by the piece cut off, sew up the seams and hem across the front. If the pressing is well done, one could not tell they had been mended.

For an Oily Nose.
 To the oily nose apply this lotion, which will take away the shine: Four grains of sulphate of zinc, sixteen drops of compound tincture of lavender, two ounces of distilled water. Another remedy that is successful: One dram of boric acid and four ounces of rosewater. Apply as often as necessary, afterward using a good heavy complexion powder.

Dried Fruits.
 Dried fruits should be covered with cold water and allowed to stand for a few minutes in order to loosen any particles of dirt that may adhere; then wash them thoroughly. Again cover with cold water and soak overnight. Cook slowly in the same water. When nearly done add sugar to taste.

To Cure a Cough
 Take LAXATIVE BROWN TABLETS. All drugs money if it fails to cure. Signature is on each box.
