

Shrink

has always been the bug-bear of the tailor. Shrink is what kills style in clothes.

The Royal Tailors, Chicago and New York, are doing something no other tailor in the world can do.

To every customer they give a legal guarantee that Royal tailoring will hold its style until worn out.

Their shrinking process is a trade secret. It takes every last inch of shrink out of cloth and linings, then when style is sewed into Royal Tailor clothes it stays there forever.

Why take chances? Wear Royal clothes and get a Royal legal guarantee that you can pin your faith on.
