with about 800 logs in the yard.

Don't forget the Seventeenth of Ire-  
land; grand ball at the Opera House,

The "Eagles" are giving the dance  
March 27th; that is all that it is ne-  
cessary to say; a good time is assured.

J. C. Elder, forest ranger, came  
down from Paisley last week, and  
spent several days at the headquarters.

The divorce case instituted last  
week, mentioned in The Examiner,  
was withdrawn by the plaintiff the  
next day.

Bill Bailey was in town from the  
wood camp Tuesday, and made The  
Examiner office a financial call. He  
borrowed a dollar.

fine job work these days. Come in

R. L. Burns, of South Warner, was  
in Lakeview Monday on a business  
trip. He says things are flourishing  
in his section of the county.

J. R. McNew, who has been on a  
several weeks' visit with his family at  
Petaluma Cal, returned to New Pine  
Creek latter part of last week.

Wm. Bassett, the Bonanza saw mill  
man, has sold his mill to Mr. J.  
Bunch, who is a recent arrival to  
that locality from Coos county.

The Eagles are all "good fellows."  
They enjoy a good time, and always  
give their friends a good time. The  
dance March 27, given by this frater-  
nity will be proof of this.

V. Conn, the Paisley merchant, who  
spent several days in Lakeview last  
week, left Sunday morning for San  
Francisco, where he goes on a busi-  
ness trip, to buy his summer goods.

Miss Mollie Grady, who finished a  
successful term of school in Union  
District last week, went to Chewaucan  
last Sunday, where she will teach in  
the Johnston district, a few miles  
south of Paisley.

M. D. Williams, of the Klamath  
County Abstract Company, is in this  
city engaged in surveying lines for a  
number of Merrill people who realize  
the unusual efficiency of Mr. Williams.  
—Bonanza Bulletin.

W. A. Mickle, the Cedarville livery  
man, was in Lakeview last Saturday  
night, having brought a drummer  
over from that place. Mr. Mickle  
was at one time a resident of this  
place and he has many friends here

Pete Follett was up from Pine Creek  
Monday. He informed us that Mc-  
Cleary & Shavers had purchased the  
Alex Boyse ranch for \$4000. Pete says  
that as many as twenty mining deals  
have been made in the Pine Creek dis-  
trict within the past two weeks, and  
cash paid for the claims. This would  
indicate that there will be something  
doing in the Pine Creek mines this  
summer. Mr. Follett is very confi-  
dent that the mines will be opened up  
there this spring. He says the coun-  
ty seat agitation at Pine Creek carries  
about as much interest with it as  
ground hog day in Wall Street.

R. A. Hawkins and family have re-  
turned from Berkeley, where they spent  
a very pleasant winter taking in the  
sights. Mr. Hawkins says he put in  
his time pretty faithfully observing  
things, and thinks he saw about every-  
thing that would appeal to his imagi-  
nation. They visited Los Angeles,  
San Diego, and many other places of  
interest, and while there they visited  
an ostrich farm, which Mr. Hawkins  
says was about as interesting a sight  
as any place he visited. They visited  
with Massingills at San Diego.

Hon. V. Conn came down from  
Paisley last Thursday and spent  
several days in Lakeview on business.  
Mr. Conn says that he has observed  
very closely all that has been said  
against Senator Fulton, and has noted  
the Senator's answer to the charges  
made against him. Mr. Conn em-  
phatically states that Senator Fulton  
is absolutely unscathed; that he has  
not been touched by his enemies, and  
that he is even stronger than ever.

Frank Morine, who has been work-  
ing on the telephone line between  
here and Silver Lake, returned to  
Lakeview Tuesday, having finished  
putting the cross arms on the poles,  
ready to receive the double wires or  
the metallic circuit which will be used  
for commercial purposes alone, leav-  
ing the single wire for party line  
purposes. This line will be in excel-  
lent shape for all kinds of business  
when the new wire is on.

Warner Clark, a graduate of the  
Modoc county High School, presented  
The Examiner office with a copy of  
the first edition of the "Modoc Purple  
and White", a semi annual publi-  
cation gotten out by the Modoc Coun-  
ty High School. The publication is  
neat in every department, and a  
credit to the school. It is on a level  
with similar publications by much  
larger institutions of learning.

C. L. Withers and C. S. Benefield,  
of Paisley, who have been circulating  
the petition to get the county seat  
removal proposition on the ballot for  
the June election, arrived here from  
Warner Monday evening, just in time  
to attend the mass meeting held here  
that evening. The boys attended the  
meeting, but were like the boy the  
chicken ran over; they didn't have  
much to say.

Our line of Ladies' shirt waists is

C. A. Duncan and J. W. Nelson,  
both of Nevada, are in Lakeview this  
week, and were located on Warner  
Valley agricultural land by Cogburn  
and Sanford. Settlers are coming in  
to this county about as fast as the  
locators can handle them. These men  
expect to locate several hundred the  
coming summer. They are working in  
a fine body of rich agricultural land.

Mrs. Bertha Charlton and Dr. Am-  
den, both of Lakeview, were united  
in holy matrimony last Saturday eve-  
ning, Rev. Daily officiating. Both Mrs.  
Charlton and Mr. Amden are well  
and favorably known in this valley,  
and their host of friends will join in  
extending good wishes. The Exam-  
iner wishes them a long and prosper-

The Klamath Falls Herald says that  
McKendree Brothers and Dave Edler  
are on a deal with J. F. Kimball for  
the lease of 600,000 acres of the Weyer-  
haeuser timber lands in Klamath  
county, and will, if the deal is made,
