Silver Slippers Worn at Dances-Jap Mink Extremely Stylish.

Silver slippers were worn the other night by a pretty girl to match an ex-

season as some of the finer set pieces of Russian sable. Despite the fact that one sees many pieces of fine fur with trimmings of heads, talls and claws, nevertheless the plainer pieces are considered the most fashionable of the season. The attempt to mingle different tones is something decidedly pretty in novelty effects, and the manufacturers certainly deserve praise for some of the wonderfully beautiful coats.
