Growing in Population

Most men have always acted in accordance with their conception of the best interest of themselves, and it is expected that most voters in Lake County will so act in the matter of the removal of the County Seat, for it is not easy for men to divest themselves of this spirit even in matters wherein no personal interest should have influence unless such interest be in perfect harmony with the greater benefit of the majority.

There are, we are sure, some unselfish men in the Northern precincts of Lake County. Men who will not, through impatience and hasty action, for the convenience of themselves, and the advancement of their own communities, injure others needlessly.

We are in full sympathy with the people of the Northern part of the County in their feeling that they ought to have a county seat nearer them, and will do all that we can to facilitate that object in a way that involves the least injury to others.

A new county is inevitable at no very distant day. There must be 600 people in the Northern precincts now. With the population increasing at the rate of ten per week, which certainly is true, since the papers there state that 5 to 7 new homes are established each week, 40 weeks will bring them 600 more. They will then have a population of 1200, the number required by law, and may organize a new County with a county seat very near every home. They will not then be content to remain longer attached to the old counties and will not so remain. Those who oppose a new county are fighting against natural conditions and they will fail. Lake county will build a court house at Lakeview, where the County Seat will remain, and we of the South end will see that the unselfish, patient people of the North get what they want with least inconvenience to everybody.

Statement No. 1 seems not to have fared very well with candidates for joint senator and representative in this district. Dr. Geo. H. Merryman pledges himself to vote for the Republican choice for U. S. Senator, while L. F. Willits and H. L. Holgate are unpledged. H. A. Brattain and Dr. H. P. Belknap pledge themselves to vote for the Republican choice in this district for U. S. senator and Marks pledges to vote for the people's choice if he be a Republican.

Announcement TO THE DEMOCRATIC VOTERS OF LAKE COUNTY: It is with a feeling of deepest regret that I am compelled to inform my many friends who have so persistently urged my candidacy for the office of Sheriff on the democratic ticket, that owing to not having followed the strict statutory provision relative to filing nominating petitions, my name has been left off the primary nominating ballot.

However, this omission may be supplied by democratic electors writing my name on the blank line left for that purpose under the heading "For the office of Sheriff" Yours very Respectfully, J. D. FARRA.

Announcement To Republican Voters:—I am a candidate for the republican nomination as one of the Joint Representatives for the Twenty-first representative district, comprising Grant, Crook, Klamath and Lake counties, there being two candidates to be nominated and elected from this district. If I am nominated and elected I will devote my time and efforts to the enactment of necessary laws and the repeal of unnecessary laws; that I will vote for the people's choice for United States senator, provided he is a republican. J. E. MARKS, Canyon City, Grant County, Oregon.

Voters, Consider. In considering their choice for State Senator, the voter wants to bear in mind that the man he votes for is possessed of good judgment and is conservative. In Dr. G. H. Merryman he will find these qualities well exemplified. He is on record and that is the best evidence one can have. During his term of office as representative from this district in the State Legislature, he proved himself to be a safe, conservative, honest economical legislator, and his course was one of consistency from start to finish. It is a record of which he may well be proud and one that the voters of this district ought to have repeated. This they can have when they return Dr. Merryman to the State Senate. —Klamath Republican. 25-1

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. Cheney & Co., Toledo, O.
