Pale, Thin, Nervous?

Then your blood must be in
a very bad condition. You
certainly know what to take,
then take it—Ayer's Sarsa-
parilla. If you doubt, then
consult your doctor. We know
what he will say about this
grand old family medicine.

This is the first question your doctor would
ask: "Are your bowels regular?" He knows
that daily action of the bowels is absolutely
essential to recovery. Keep your liver active
and your bowels regular by taking laxative
doses of Ayer's Pills.

Made by J. C. Ayer Co., Lowell, Mass.

necessary.

Child-Rescue

In the six months of its Child-Rescue
Campaign the Delineator has
accomplished certain results. It is
now in touch with forty five agencies
for placing children. It is in corre-
spondence with twelve hundred insti-
tutions caring for children. It has
facilitated the placing of several
hundred children in good homes. It
has brought together and crystallized
the best thought of the country upon
this subject and presented it in read-
able form to the laity—the public
which knows nothing of this form of
work but which is ready and eager to
hear of it.

It intends to go on as fast as wisdom
permits, in close connection with the
most advanced thinkers upon the sub-
ject, and it sincerely believes that the
publicity given to this most important
work will result ultimately in incalcul-
able good to the children's cause.
