AN ADVOCATE OF GOOD ROADS
C. C. Harris Talks About Roads of the County
BRIDGES IN FINE CONDITION

C. C. Harris, of Beemer Lake, is an entusiast on the project of roads in the country districts. He believes that all the roads there are in a state of decay. He feels that some red bridges are better than none at all. He says the county has built some roads but that they are not permanent and when washed away, have to be built again. He feels that new roads should be built of a more permanent type and that bridges should be built of a more durable material. He feels that bridges should be built in the form of a arch and that they should be permanently fixed.

Free Soap
For a few days we will give $2.15 worth of free soap with each purchase of any soap purchased from us. We recommend and guarantee these goods.

THE PERFECT LAUNDRY SOAP
Fairbank’s SUNNY MONDAY is a laundry soap that we are glad to recommend. It is the perfect laundry soap, made from the highest grade materials—by a company that knows how to make soap right.

Sunny Monday
is pure, white, efficient. No resin or other adulterants that rot and ruin fabrics. Best of all, it contains a remarkable new soap ingredient, called a dirt-starter, that makes clothes clean, and takes all the hard labor out of washing. You can wash everything with SUNNY MONDAY in any water at any temperature.

One bar of SUNNY MONDAY does as much cleaning as two bars of any other soap, because it is absolutely equal in every way. Give SUNNY MONDAY a trial and acquire a good habit.

We also recommend these other Fairbank soap products:
Gold Dust—washing powder.
Glycerine Tar—shampoo
Pumma—hand soap
