### Gone to Fix the Road

Geo. Hankins left Wednesday with his big auto and a crew of men to blow out a lot of rock on the road this side of Alturas. These obstructions are a serious menace to safe and rapid auto transit and as the road authorities in California seem to be slack or negligent of their duty to the public, he will do this work himself. Mr. Hankins likes to go some, as will be understood when he arrives his big auto from here to Likely in less than four hours.

### Pays for Life

The American Farm World speaks not inadvisedly when it says: A fifty acre apple orchard is not only a paying investment for life but a reliable insurance against want for the dependent ones. And there will be many a man here who makes the right start in fruit growing that will have a home of plenty and a big bank account in a few years.
