

DR. R. A. HERITAGE

DEAR, COLLEGE OF MUSIC, WILLAMETTE UNIVERSITY, SALEM, OREGON. Has been engaged by the Library Association of Lakeview to drill, stage and direct the operetta "Rose of Savoy," for the benefit of the library. Twenty-five of the ladies of Lakeview are in the operetta and the drills are going with a hearty good will. All are enjoying the work exceedingly well. Dr. Heritage is a master of his work and the public may be assured that this entertainment will be first class. The chorus is very good and well balanced; their singing will be a pleasant surprise to the music-loving people of Lakeview and vicinity. Mrs. E. H. Smith, Mrs. T. V. Hall and Mrs. W. A. Gowen take the leading solo parts. This operetta will be given on Friday evening, August 28th, at the opera house. Dr. Heritage will sing five concert solos as a first part to this entertainment, with Professor Price at the piano. The Examiner bespeaks a full house to this splendid concert and benefit for our free library.

YOUNG MEN LIKE ANOTHER MAN THIS COUNTRY WHO PROSPERS

Travel on Horseback from Vale, Three Hundred Miles, and Return Has Been Here Twenty Years and has Fine Property

Bernard C. Siltz, and M. R. De Long, of Grand Forks, Dakota, were arrivals in town Tuesday. They are interested in the Oregon Valley Land Co. lands, and came out to see the tract for themselves. With that purpose in view they hired horses at Vale, the railroad terminus in Malheur County, 132 miles east of Burns in Harney county, and from there they struck the grant on its eastern boundary and followed it to Lakeview. They are very enthusiastic over what they saw, and state that the poorest tract is worth more than the price asked for sheep range. They are particularly delighted with Lakeview and the Goose Lake valley, and say it is one of the prettiest spots on earth, and they have traveled some, too, to back up this opinion. They are so well pleased that they will at once return to their Dakota home to settle up their affairs so that they can move here in the spring, and will come prepared to engage in some line of business. They are two hustling young men and will make desirable citizens, and they will find a hearty welcome.

Picnic on Goose Lake
A number of Lakeview's young people went to Pine Creek last Sunday and had a picnic on the lake shore near that town. The day was an ideal one for the occasion. Lunch was spread on the grass beneath the shade trees and after this was disposed of, boat riding and bathing were indulged in until evening. Those who attended say they never had a more delightful time.

Why James Lee Got Well
Every body in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at A. L. Thornton's drug store. 50c a bottle. Trial bottle free.

W. D. Tracy, one of the successful farmers of Drews Valley, west of Lakeview was a welcome caller at this office last Saturday. Mr. Tracy came to this section, when a boy, about 20 years ago. He had nothing but his bare hands and a determination to succeed when he got here. By hard work, hard sense, he has now got to a condition where he does not have to worry about the future. He has a fine farm, well stocked with plenty of water to irrigate with if necessary. He has an orchard, and is satisfied that the time is coming when that will be the most valuable of his possessions. The gentleman is not by any means a pessimist, and his genial face shows clearly he is no knocker. He likes this country and is willing to have all the outsiders come in there is room for, and will not kick if they crowd a little. He says this is the easiest country he knows of to get a living in, and will give the glad hand to all willing and intelligent workers.

Alturas had two small fires last week, on a small shack containing a bakery, loss \$100. But the same fire destroyed a lot of farming implements. The other was a barn, insurance \$600, but it will not cover the loss.
