Flowing Well in Three Feet

Silver Lake Leader: While the 2X vaqueros were camped out by Fossil lake on the desert they dug a hole near the lake for fresh water. When down about three feet they struck a vein of water which soon boiled out of the top and flowed like a spring, soon making a small rivulet to the lake. This goes to show that there is a great deal of water under that country and if the right kind of a well were sunk no doubt artesian water could be struck any where on the desert.

Best the World Affords

It gives me unbounded pleasure to recommend Bucklen's Arnica Salve, says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it is the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c. at Thornton's drug store."

Chronic Diarrhoea Believed

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes, "Our General Superintendent handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack on the old chronic diarrhoea. I have used it since that time and cured many on our trains who have been sick. I am an old soldier who served with Rathford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by Daly and Hall.

TREMENDOUSLY HEAVY TIMBER

A Growth of 22,000,000 Feet of Marketable Timber on a Quarter

A 40-acre tract in Clallin County, Wash. contains 22,000,000 feet of standing timber according to the record of a cruise just filed with the city authorities. This remarkable tract is a part of a quarter section in the holdings of the corporation represented by J. D. Lacy Company of Chicago and New Orleans. The tract contains according to the owner's figures, turned into the county for assessment purposes, 8,541,000 feet of fir, 39,000 feet of spruce and 181,000 feet of hemlock. The entire section of which this is a quarter, contains the remarkable total of 22,217,000 feet of merchantable lumber.

Merrill Record speaks not inadvisedly when it says nothing so much adds to a house as a green lawn and flowers, and says there are many such places in that town. In Lakeview, too, there are many fine door yards, now beautiful with bloom.

A Faithful Friend

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for sixteen years, and never start out on a trip without this, my faithful friend," says S. Nichols of Oakland, Ind. Ter. When a man has used a remedy for thirty-five years he knows its value and is competent to speak of it. For sale by Daly and Hall.
