PEOPLE ALWAYS READY FOR REAL ESTATE SNAPS

There are, always, in this city people who stand ready to buy any piece of real estate in any part of town or suburbs, if the property and the price are both attractive. Once in a while an experienced investor will buy at a fancy price; but the great majority of buyers KNOW VALUES in real estate—they are educated in this one thing above others and that means that if a real bargain in real estate is offered it will find quick takers. If the value is not there, the buyer is not apt to be found—and this is as it should be.

A Traveling Man's Experience
"I must tell you my experience on an East bound O. R. & N. R. train from Pendleton to Le Grande, Ore., writes Sam A. Garber, a well known traveling man. "I was in the smoking parlor with some other traveling men when one of them went out into the coach and came back and said, 'There's a woman sick unto death in the car. I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and with a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suitcase and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil, then I had quite a time to get the ladies to let me give it to her but I succeeded. I could at once see the effect and I worked with her rubbing her hands and in twenty minutes I gave her another dose. By this time we were almost into Le Grande where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed but by the time the train ran into Le Grande she was all right and I received the thanks of every passenger in the car." For sale by Day and Hall.

The timber land of T. B. Walker and the McClelland River Land Co. in Siskiyou county, California is assessed at \$7 per acre, or \$1 less than that in Shasta county. If the law enforced in New Zealand of taxing land at the price the owner is willing to sell for, was in force here it is pretty certain the valuation would be somewhat higher than the above rate.

A Paying Investment
Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "I have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies. Sold under guarantee at A. L. Thornton's Drug store. 50c. and \$1 Trial bottle free.

Don't be afraid to give Chamberlain's Cough Remedy to your children. It contains no opium or other harmful drug. It always cures. For sale by Day and Hall.
