

I Take Off My Hat

to no tailor in America when it comes to furnishing made-to-measure special tailored fall suits, with style and snap and refinement in them.

You may be able to go all the way to New York for your tailoring and pay the great Wetzel \$75 to \$150 for your fall suit.

Then that is your good fortune. But let me make it to your better fortune by saving you two-thirds this expenditure and giving you just as good a suit for the other third. (Some suits as low as \$20.)

Royal Tailoring is the best in the world. And the fall line of styles that I am now showing is the greatest achievement of this world's greatest tailoring system.

Card of Thanks
We desire to extend our heartfelt thanks to our many friends who so kindly assisted us during the last illness of our boy, Dan, and also to those who remembered us with their messages of sympathy and floral offerings.

Mr. and Mrs. Robert McKee and family.

Returned From Camping:
James Judge and Carl Umbach returned last week from their outing. During the time they were away they made their camp near Plush. On their return they came down through Surprise Valley to Lake City, thence across the divide to Davis Creek. Arriving there they decided to pay Al-

turas a visit, which they did, staying one night in that place. The next day they came up as far as Davis Creek, and the day following, came on to Lakeview. The boys report a good time while out. Plenty of fishing and though game was scarce they succeeded in killing several rattlers, which they skinned and brought the hides home with them as proof of their deeds.

Death of Dan McKee

The untimely death of Dan McKee, one of the most highly esteemed young men of Lakeview, which occurred Friday noon, cast a gloom over the entire town, and especially among the younger set, who thereby lost a friend and school mate. He was born and reared in Lakeview.

The young man was a son of Mr. Robert McKee, of the Mercantile Company, and had been employed in the store some time previous to his illness. He was ill for several weeks with pneumonia, suffering between life and death all the time, at times rallying only to sink again. If he had lived a day longer his life would have spanned 19 years.

He was buried Saturday on his 10th birthday. He leaves a father, mother, two sisters and two brothers, and a host of friends to mourn his untimely death.

His funeral was one of the largest ever held in Lakeview. Impressive services were conducted at the grave by the Rev. W. A. Hopkins, pastor of the Baptist Church.

The pall bearers, who were his intimate friends and school mates, were as follows: Kelton Gunther, Walter Drenkel, Walter Dutton, Ira McCool, August Storkmann, and Paul Drenkel. The bereaved family have the sincere and heartfelt sympathy of the entire community in their bereavement.

Frank Rogers III

Frank Rogers, the sheep man, arrived in town from his ranch near Plush Monday, and became so ill soon after arrival that he had to have a physician, and he is now confined to his room at the Hotel Lakeview.
