### DEGREE OF HONOR ENTERTAINS MANY

Gave Members and Friends a Show, a Feast, and a Good Time

The Degree of Honor, A. U. O. W. gave a very interesting party at their lodge room in the Masonic Hall, last Friday evening. Upwards of 95 invited guests were present, and all enjoyed themselves.

The festivities provided for the occasion included vocal and instrumental music, tableaux a witch dance, a fine supper, and all wound up with a dance. The following was the program:

Hanby; funeral services of Ghost Hall; vocal solo—Mrs. Lena Hanly; selection by the orchestra; vocal solo—Nellie Harvey; vocal solo—Mr. Ayers; vocal solo—Etna Tatro; music by the orchestra; vocal solo—Mr. Hill; tableau—"Every body Works but Father"; quartet, May Barnes, Nellie Harvey, Kelton Gunther, and Lyd. Cronmiller; witch dance—May Barnes

The pianists were Miss Ayres and Mr. Price. The young lady is very proficient, while the rendition of "Annie Laurie," with variations by Mr. Price was worth traveling miles to hear.

The ladies provided a most bountiful and elaborate repast, as will be seen from the following Bill of Fare, although we must confess that there were many things on the table that did not at all correspond with the names mentioned in the menu card.

### SOCIETY NOTES

Mrs. Wilshire, wife of Judge Wilshire, of Ashland, has been a guest of Mrs. F. M. Miller the past two weeks.

### Watched Fifteen Hours.

"For fifteen hours I watched the working of Bucklen's Arnica Salve; and it has never failed to cure any sore, boil, ulcer or burn to which it was applied. It has saved us many a doctor bill, says Mrs. M. J. H. of East Wilton, Maine. 25c. at Dr. Thornton's drug store.

### NASHVILLE STUDENTS PLEASE KLAMATHANS

The Klamath Morning Express of 30th ult., has this to say of the Nashville Students:

"Oulligan's Nashville Students drew a house last night that forced the 'standing room only' sign long before the curtain went up. And all got their money's worth if one can judge from the applause following each specialty. Oulligan's Nashville Students are certainly a clever bunch of minstrels as a whole and while some of the features probably deserve special mention suffice it to say that it was one solid scream from start to finish.

This company will play again this evening. Price 50 cents, reserved seats without extra charge at the Klamath Bakery.

After the performance the Nashville Students band will furnish music for a social dance."

The Nashville Students played to a full house last night. They are pretty good for their class, and kept most of the audience in an uproar. Some of their specialties were somewhat coarse, which could be eliminated to the betterment of the company. They are to give another show tonight with an entire change of program.

When you have money spend it at home with your local merchants. He is the one who carries you at a time when you are shor. When you send your money to mail order houses in the East, that is the last you ever see of it, but when you spend it at home it goes into circulation in your home town and you stand a chance to get some of your own money back.

### Thomas Creek All Right

J. M. Hammersley, of Thomas Creek was in town yesterday. He is a sheep grower, and is happy over the election of Taft. He says that some of his neighbors will probably put in wheat and other grain equal to their ability to procure seed. They are also preparing to plant additions to their orchards, as fruit of all kinds does well in his neighborhood.

Sprains, swellings and lameness are promptly relieved by Chamberlain's Liniment. This liniment reduces inflammation and soreness so that a sprain may be cured in about one third the time required by the usual treatment. 25 and 50 cent sizes for sale by Daly and Hall.

### GOOD WORDS FROM BAPTIST MINISTER

Lakeview, Ore.,

Kind Editor: By your permission I wish to speak through the columns of your excellent paper to the good people of Lakeview and vicinity. Coming to this little city last August on a business enterprise, which we expected to accomplish in a few weeks, but after viewing the location of your city and the enterprising spirit manifested by the citizens of the town and county I became so captivated with the surroundings and future prospects of the county that I decided to become a citizen of this town and county.

Having been a Baptist preacher for a number of years we have accepted a call from the Baptist church here to become the pastor for the ensuing year and desire to become useful as a citizen, socially, morally, and religiously. We wish to invite all to attend the services at the Baptist church, and in this way you will become a power for good and wield an influence over the young men and women, helping them into a better and purer life. The highest citizenship grows out of an intellectual, social and religious education.

Were it not for the religious and moral training as well as the intellectual culture of American youth our government would soon decay and fall to pieces. But in giving our sons and daughters to the service of the nation remember that our own examples are the guide boards for them to such a degree that we cannot escape the responsibilities of parents and guardians.

Beginning to serve you as a humble citizen and servant of the Great Prince of Peace I am truly, Eld. W. A. Hopkins.

The bride wore a beautiful white wedding gown trimmed with white tulle. The groom wore the conventional black. This is a union of two of our most popular young people, and we wish them a life of happiness and prosperity.
