PEOPLE OF THE DAY FOR THE HOUSEWIFE

Britain's New Premier.
Herbert H. Asquith, the new prime minister and first lord of the admiralty of Great Britain, has been chancellor of the exchequer in the Campbell-Bannerman cabinet since December, 1905.

The new premier is a Yorkshireman, about fifty-six years old. He was a protégé of the late William E. Gladstone, whose attention was attracted to him by a speech he made at a dinner of the Eighty club a good many years ago.

HERBERT H. ASQUITH

abilities in the young man, and Mr. Asquith's political future was assured from that time. He is a remarkably able lawyer, with a fondness for epigrams, and is considered one of the keenest debaters the commons has known since Mr. Gladstone.

An Expert on Manuscripts.
Herbert Putnam is doing very well with the library of congress, and he never did a better thing for it than when he secured Worthington C. Ford as the head of the manuscript department.

Judge Gray of Delaware.
Judge George Gray of Delaware, whose friends intend to present his name to the national democratic convention at Denver next July, is well qualified to fill any position to which he may be chosen.

FOR THE HOUSEWIFE

A Jelly Making Hint.
It is quite difficult to arrange the jelly bag when making jelly so that it is easily managed. A very good plan is to hem the edge of the bag over a large embroidery hoop.

Waterproof Wall Covering.
The best way to make a tiled wall waterproof is to first use a filling material that is natural cement with no glue on it, one that will not require a glue size on the wall.

Freckle Lotion.
The following formula is a harmless and mild freckle lotion: Borax, thirty grains; potassium chlorate, 120 grains; alcohol, one-half dram; glycerin, one dram; rosewater enough to make three ounces.

Sewing Scissors.
By a recent invention of an Illinois woman it is now possible for dress-makers and tailors to cut a piece of goods and baste it at the same time.

Cuts and Sews.
stitch depending upon the extent of the forward movement of the shears at each step of the cutting.

For Too Curly Hair.
Too curly hair, although the poor straight haired girls cannot imagine it, is distressing. If the hair is dry, this preparation will make it smooth and combed.

Smothered Perch.
Clean and carefully dress as many large white perch as are needed. Put a thin slice of fat salt pork on each fish and cover with a thin layer of finely chopped onions.

Ice Cream Without Cream.
Scald five teacupfuls of milk in rice boiler and thicken with heaping tablespoonful of cornstarch, into which put a lump of butter the size of a hulled walnut.

Old Fashioned Scrapple.
Two pounds of beef, two pounds of pork; stew until meat falls from the bone. Let get cold, take out bones, salt and pepper to taste.

To Keep Oranges.
A Florida method of keeping oranges well into the summer is to fill a box with clean dry sand, set in a cool, dark place and bury the oranges in it, taking care that they do not touch one another.

TO WHOM IT MAY CONCERN,
notice is hereby given that all irrigation, or millrace ditches on all trout streams through Lake County, Oregon, must be screened with a small mesh wire screening at their head or junction with the main channel of stream.

\$1,000.00 Reward.
