## TENDERFEET SECURE FOUR MILES DISTANT

An index of the opportunities lying loose around in these parts, which it takes a tenderfoot to hop on to, is the case of J. M. Beveridge, who came out here from Iowa about a month ago, and Rez, Mr. Parker, who came two weeks since. Both of these gentlemen the past week secured homesteads of 160 acres each, and those, too, within only four miles of Lakeview, in the heart of the Golden Goose Lake valley, and all surrounded by fenced land. Everyone supposed it was dead or land grant land. Surveyor Paine, of Drenkel & Paine, discovered the vacant tract, and gave the tip to these gentlemen, with the result that they now have the making of a fortune in their grasp.
