Burns Times-Herald: With apples selling at 4 cents per pound up, potatoes 2 1/2 and 3 cents, cabbage, onions, grain and other farm products in proportion it looks like someone would get busy and go to raising more of such commodities. That's pretty good money for the producer and next year the Harney county farmer will have more of such to sell.

The various buildings throughout the city under construction are scenes of activity these beautiful days. In a few weeks more many will be under cover and the finishing can be completed regardless of climatic conditions, which are seldom so bad here that building ceases.

H. E. Barker, the manager of the Likely Lakeview stage line, was in town Monday, and reports that the narrow gauge will be in Alturas within two weeks. Among other things he brought to town was a bill of \$186.35 for freight for print paper and printers supplies received by The Examiner the past month. It nearly paralyzed us, but it shows that this office is doing some business in way of supplying the outside world with information as to the products of the land and opportunities in Lakeview and Lake county.

How is Your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market to day." This great tonic and alterative medicine invigorates the system, purifies blood and is especially helpful in all forms of female weakness. 50c at A. L. Thornton's Drug store.

Warner Valley Prosperous

E. A. Friday, of Adel, was in town Saturday. The gentleman is president of the Warner Mercantile Co. (of Adel and Plush). He reports a good business all the time, and says that many new people are coming in, with promise of big increase in the near future. He says that the altitude here is considerably lower than other parts of the country, makes better climate, and earlier or later vegetation. He thinks Adel will be one of the future garden spots of Oregon.

Rheumatic and Paralytic Cripples

Cured on the stage free. The deaf made to hear in a few seconds. Come on crutches and invalid chairs and you walk as a child. Bring your ear trumpets and lay them down and you shall hear. Come and hear these high-class lectures.

See the Marvelous Cures

Made in a few minutes, and you will be convinced that the dream of the philosopher is realized. All kinds of chronic diseases treated.

Are These Cures Permanent?

This is to certify that I have been a helpless cripple for two and one-half years from that giant disease, rheumatism, and was in bed part of the time; for two years I was compelled to walk with crutches. Dr. Madison treated me at the opera house, August 2, 1905, and broke my crutches on the stage. I walked out of the opera house without them and am feeling fine—have no more use for my crutches. I take pleasure in recommending Dr. Madison to the public.

(Signed)

M. T. CHARLTON, Boise, Idaho, Aug. 6, 1905.

To Whom It May Concern:

I was treated by Dr. Madison at the opera house August 2, 1905, for my deafness. Have been improving ever since. I now hear as well as I ever did and shall ever be grateful to DR. MADISON for curing me.

(Signed)

H. M. COLLINS.

The value of the skeptic is now hushed, for they must now believe this man is a wonder, for they can now see what he really can do, and "what the eyes see the heart must believe."

Office at Hotel Lakeview

The doctor will stay in Lakeview ten days. The treatment is medicine and bloodless surgery.

Read what the Klamath Falls Express says about Dr. Madison, published Nov. 12 1908.

Dr. Madison and staff, of the Medical Institute of Liverpool, England, and Crawfordville, Indiana, branch office, Portland, Oregon, lectured to a large audience Tuesday night. The doctors are agreeable and forceful speakers and held the audience in close attention while they explained the usefulness of their wonderful discoveries.

Many promises were made which seemed utterly impossible to believe, and when the doctor invited those who were hard of hearing to come forward and be cured, J. A. Martin, O. Calkins and Johnnie Houston responded to the call and were made to hear a whisper in a few seconds.

The doctor then called for cripples on crutches and Al Lyons responded. He was afflicted with that giant disease, rheumatism, for two years, and he was unable to walk except with crutches and great difficulty and pain.

He was operated on with medicine for twenty minutes and walked off the stage free from pain and stiffness, followed by the wondering crowd, while the doctor broke his crutches. To say the audience was astonished would be putting it mildly. The doctor was warmly congratulated. It seemed like a dream but it was real. Ministers and doctors were in the audience, and they seemed as well pleased as any.

Dr. Madison lectures at the Opera House Monday night November 23rd. Take notice.
