## Roy G. Butler Entertains the "Best People on Earth" At the Colorado Hotel

A pleasant little gathering was held at the Colorado House last Thursday evening, at which our popular townsman, Roy G. Butler, acted as host. The occasion was in honor of the departure of the gentleman to the old mining region in Plumas county, California, between Lakeview and Reno, which is now taking on new signs of life, due to the activity of Goldfield and Tompoh operators. A nice supper was provided of salads, cracked crabs, cake, pie and fruit, and for light refreshment a liberal supply of "Elk's milk" was furnished.

After the banquet in response to the request of W. Lair Thompson, the witty and able toast-master, a number of neat little speeches were made, all of which were appropriate to the occasion.

The Old Fellows of Klamath Falls are planning on building a brick or stone building with 2 or 3 stories and basement.

#### Marked for Death

"Three years ago I was marked for death. A grave yard notice was bearing my name. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bad, Ky. "The first dose helped me and improvement kept on until I had gained 25 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at Thornton's Drug Store, 83c and 18c. Trial bottle free.

to the occasion. Many regrets were expressed that Mr. Butler had decided to cast his lot elsewhere, even though it being only a temporary arrangement, as he expects to return here in the course of a year or so.

The guests were mostly of the Elk fraternity, as follows:

Antlered herd: W. Lair Thompson, No. 357, Albany, Ore.; Guy Ingram, No. 326, Roseburg, Ore.; Wm. Anderson, No. 701, La Junta, Colo.; Roy G. Butler, No. 240, Butte, Mont.; and V. L. Snelling and Geo. Harrow, of No. —, Ashland, Ore.

Horns Just Started—Fred McKendree, Dr. J. E. Smith, Harry Bailey, and Les Thornton.

Invited Guests—Dr. W. R. Boyd, J. T. Baeholder, Fred J. Bowman and Geo. B. Whorton.

The Songster—Creed McKendree.

These cool evenings show the value of the good work on the part of the ladies who originated and brought forward the public library and erected the handsome, roomy building. It is filled each night with both sexes, old and young, who put in the hours in acquiring knowledge of use to them for all time.

Lake county is not alone in its potato shortage and consequent high price for the same. Ohio is short 100,000 bushels. The damage by rot is small there being only 2 per cent. Lack of rain there as well as here has produced the shortage.

That bossy cow of Mr. Mikel's that was lost and found, brought home twins, one of the gentleman persuasion and the other calf a perfect lady. The calves are of normal size and doing well. It is quite unusual for a cow to have twins and Mr. Mikel is much elated over this increase in his herd.

#### Cedarville Creamery

The Cedarville Record says the creamery building there will soon be completed. It is 20 x 30 feet and two stories high and a boiler room 12x14, one story, being an addition on one side. The machinery has been ordered and will soon be ready for business as soon as the farmers commence to bring in the milk. It will be a good thing for the country and all who have cows should even strain a point to furnish milk.

#### Iowa Man Likes Lakeview

E. W. Vogel, of Des Moines, Iowa, arrived Sunday. Like many others he came to see the country for himself and others. Like them, while he wanted to be shown, and was firmly convinced that nothing would do him except a 10 acre irrigated tract, while now he is satisfied if he gets one of the larger subdivisions of the road grant, that he will realize a good big interest on his investment, even though he does not care to hold it for his personal use. He will take a good report of this country home to his Iowa friends.

#### Can Grow Celery Here

The Examiner is confident the finest celery in the world can be grown right in Lakeview, in this deep black, rich soil. And yet not a stick was to be had in town. Thanksgiving day! One of these days some celery grower will come along here, and get one of these 10 acre tracts, offered by Mr. Martin for the price of a song, and will make a fortune in celery. We need to be shown, that's all, and we will be!

#### Settlers Coming

D. A. McDonald, wife and son arrived in Prineville Monday by wagon from their former home says the Journal at Bridgeport, Douglas county, Wash, up near the Canadian line, where the mercury drops to 30 below

zero in mid-winter and rises sometimes to 114 in mid-summer. They are looking for a location in either Crook or Lake county but will probably locate near Redmond, where they have friends. They called at the Journal office and expressed their selves as well pleased with this part of the country.

W. C. Counter, Tom Watson, Auctioneer.

#### Oklahoma Hustler

A hustler from Oklahoma City, Oklahoma, was here last week in the person of S. M. Heck. He was from Missouri, but went away an enthusiastic believer in the future greatness of Lakeview and surrounding country. While here he purchased several lots in Watson's addition, and took options on a lot of other property. He will return in the spring prepared to stay. And if a big office building looms up here soon after do not be surprised.

#### Medicine That is Medicine

"I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters, a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Riestler of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at Thornton's drug store.

#### Likes the Country

J. W. Nelson and son, of San Luis valley, Colorado, are in town. They were interested in that colonization scheme, and came up to take a look at what the Oregon Valley Land Co. is doing here. They are satisfied and will probably conclude to make their home here after the opening of the grant lands, as this section has many advantages over Colorado though all who visited there were satisfied with their bargain.

#### Good Cough Medicine for Children

The season for coughs and colds is now at hand, and too much care can not be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's cough remedy is the sole reliance of many mothers, and is used by those who have tried it are willing to use any other. Mrs. F. P. Starcher, of Ribley, W. Va., says: "I have never used any thing other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by A. L. Thornton.
