Personal Mention

Thos. J. Powell, one of our legal luminaries, who departed from Lakeview last fall for his old home at Allentown, Pa., got back here Tuesday, with a charming bride, who will make a welcome addition to Lakeview society. The Examiner extends its best wishes to the young people.

W. R. and Ora Copeland, were arrivals last week from Pittsburg, Kansas. They did not stay in town long, and it is surmised they went out to look over the newly discovered coal measures east of Lakeview.

The Richmond, (Calif.) Daily Leader reached this office with notice of the birth of a 10 pound boy to the wife of G. A. Follett, formerly of Lakeview. Mr. Follett is one of the Town trustees of that thriving Bay City.

J. Duncan and family, W. Crowder and H. E. Barker, the stage man, were Alturas visitors here the past week.

D. Stanton, a Reno man, was in town Friday.

Harry Roberts returned Tuesday from Likely, where he had gone with a bunch of horses which he sold to the U. S. government.

W. Merkey of Seattle, Wash., was a guest Wednesday, of Hotel Lakeview.

W. W. Credit and wife, were new comers from Nebraska, who arrived Wednesday. They came to stay.

John C. Lucine, of Grant's Pass, was here Thursday.

K. W. Martin, of the Oregon Valley Land Co., returned from his visit to Kansas City, last Thursday. He was accompanied by his wife.

I. C. Barrie, of St. St. Louis, Mo., and O. C. Johnson, of the traveling men's guild, were in town Friday interviewing our business men.

Roy G. Butler has returned to Lakeview. He will open a quick lunch counter for business men of the town and others in the rear of Whorton and Martin's place.

C. Keim, of Quincy, Ill., arrived in town yesterday.

Mr. and Mrs. E. J. Taylor of Nebraska, and G. M. Noret of Oklahoma arrived here today. They are interested in the Oregon Valley Land Co. allotments, and are well pleased with their first sight of the country.

Carl Umbach entertained a few friends at cards Monday evening.

Wm. Harry and wife returned Tuesday from their trip to California.

Seegers have bought 16 lots in Drenkel's addition, and will erect cottages thereon this spring.

Mr. and Mrs. Wm. Currie, of Summer Lake, passed through town this week enroute to their winter home at Hanford, Calif. They were the guests of Mr. and Mrs. Schminck Tuesday.

Dr. W. W. Faulkner, or Roseburg, the new dentist who has been here for a few weeks, left for his old home yesterday. He will be gone until such time as his new offices are completed in the Belber Block.

The Alturas Republican reports that Mr. and Mrs. Harvey, of Lakeview were there several days last week.

A. Belber, while away, will secure estimates on the cost of raising his business block, at least, one story, which we understand, will be fitted up for offices. The block is located on one of the best corners in Lakeview, double front, and eventually will require several stories.

Mr. and Mrs. Chas. Umbach departed yesterday morning for Santa Rosa and other points in Calif. They will be absent about a month.

Tuesday was Ground-Hog-day. He saw his shadow all right in the morning, but it was cloudy in the afternoon. Now, what?

This is just the time of the year when you are most likely to have kidney or bladder trouble, with rheumatism and rheumatic pains caused by weak kidneys. Delays are dangerous. Get De Witt's Kidney and Bladder pills, and be sure you get what you ask for. They are the best pills made, for backache, weak back, urinal disorders, inflammation of the bladder, etc. They are antiseptic and act promptly. We sell and recommend them. Daly & Hall.

Missourians Some Fellows, Who, Who, Want to know, You Know!

Harper, Kansas: The share holders of the Oregon Valley Land Co. met Jan. 18th, 1909 and organized the Oregon Valley Land Club of Harper, Kans., with a membership of ninety, electing Chas. A. Miller President, R. Nordyke Sec. & Treasurer. The purpose of this organization is to look after interests of the share holders and get acquainted with other clubs, any one desiring to correspond with us will write the President or Secretary. Signed, Oregon Valley Land Club, of Harper.

H. F. C. Valley City, N. Dak.—Unquestionably Lakeview is on the verge of a land-seeking boom of big dimensions. There is plenty of good government land to be had, about the best left of the public domain that is worth taking. Railroad giants are now looking horns over this section, and we should be placed on the railroad map not later than next year.

J. E. S., Oregon City, Ore.—There are 2 hotels and a bakery here, and several restaurants. We expect and need a railroad more than anything else, as it is hard to do business without one. Can't not advise. Better come down and look over the field yourself.

W. E. B. Keller, Wash.—Lakeview now has 1,500 people and daily arrivals. We are 57 miles from the railroad Alturas, Calif. The resources here and opportunities are almost boundless.

C. M. A.—Falls City, Neb.—There is one dentist here. Another has contracted for offices and will doubtless

be here early in the spring. You will have to be your own judge.

Mrs. N. B. R. Keifer, Okla.—The Oregon Valley Land Co's grant contains land suitable for grazing, farming, truck-gardening and fruit raising. Many residents have hold contracts, which is a good evidence that the proposition is all right.

M. E. B.—Kearney, Neb., and J. E. A., Canon City, Colo.—The altitude given of Lake Albert was a mistake of the printer. It should have been 500 feet lower than Lakeview. Our altitude under different barometer tests ranges from 4500 to 4700 feet.

NO DIPHTHERIA IN LAKEVIEW

Dreadful reports are current in outside papers of the diphtheria scourge in Lakeview.

There is no occasion for such misrepresentation. Three children only have died. One died of membranous croup or possibly diphtheria, the other two of pneumonia. There were no doctors here. Dr. Hall being down with rheumatic fever, and Drs. Daly and Smith out of town, so the authorities decided to take matters in hand and quarantined the town. In the emergency Dr. Amsden, who had not been practicing for sometime, stepped into the breach and successfully ministered to the sick. The quarantine was removed Saturday, and since then the schools, and all public places have been open.

ALL DISTRESS FROM STOMACH VANISHES

Take your stomach—or maybe you call it indigestion, Dyspepsia, Gastritis or Catarrh of the stomach: it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50 cent case of Pape's Diapepsin and let you eat one 22-grain Triangle and see if within 5 minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring: The Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is feeble, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

An almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

SEEKING A LOCATION FOR A BIG COLONY

G. R. Boyden, a civil engineer from Sioux City, Iowa, arrived in town Friday. He is here for the purpose of looking up a field for a big colony of Iowa and Nebraska people. He left Sunday on horseback for a trip of inspection of Lake, Harney and Malheur counties, and will go as far as the Idaho line. His present preference is for the Warner Valley, but he intends to place his friends in the best section left open on Government lands. He promises to let the Examiner know his conclusions when he returns from his trip.

NEIGHBOR HAHN HAVING GOOD TIME

A Newton Kansas paper has this to say of a gathering of the kinsmen of our townsman, H. H. Hahn, who was present on the occasion:

A very enjoyable family reunion was held at M. A. Hahn's residence, No. 119 West Broadway, where all the six brothers and one sister met for the first time in their lives, the oldest boy being of age and going west before the birth of the youngest boy. Those present were: H. H. Hahn, of Lakeview, Oregon; John L. Hahn and family of Ponca City, Oklahoma; M. A. Hahn and family, of Newton, Mrs. O. J. Swingle and family of Burns, Kansas; T. C. Hahn and family of Greensburg, Kansas; C. C. Hahn and family of Winfield, Kansas; W. R. Hahn and family of Lincoln, Nebraska. One sister, Mrs. C. K. Belden of Winfield, Kansas, was detained on account of sickness.

H. H. and M. A. Hahn will leave for an extended visit in Indiana next week.

We all wish M. A. Hahn and wife many more happy and prosperous years.
