LAKE COUNTY ABSTRACT CO.

INCORPORATED

A Complete Record

We have made an entire transcript of all Records in Lake County, which, in any way, affect Real Property in the county.

We have a complete Record of every Mortgage and transfer ever made in Lake County, and every Deed given.

ERRORS FOUND.

In transcribing the records we have found numerous mortgages recorded in the Deed record and not indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and are most difficult to trace up from the records.

We have notations of all these Errors:

Others cannot find them. We have spent hundreds of dollars hunting for these errors, and we can guarantee our work.

J. D. VENATOR, Manager.

Tales They Tell.

A cousin of the German emperor is a dishwasher in New York.

A Des Moines man buys his mother-in-law five pounds of candy every week.

Howard Buchanan of Royersford, Pa., says he saw a wasp spilt the skin of a cabbage worm, roll it up into a small ball and fly away with it.

A crowd of 1,000 Bostonians recently followed a woman who wore a knee length "common sense" skirt and so annoyed her by their jeers and rudeness that she was forced to appeal to the police.

The New Model No. 24 Marlin

Repeating Shotgun

This new 6-shot model is the simplest, surest, and fastest 12-gauge repeater made.

It has the solid top, side ejection and double extractors—special Marlin features of comfort and convenience. The closed-in breech keeps the action clean and the shells dry—keeps out rain, snow, dirt, leaves twigs and sand.

The new take-down construction allows you to take gun apart in ten seconds for cleaning or packing, yet the joint is always as firm and rigid as in a solid frame, non-take-down gun. The fat forearm fits your hand and helps quick operation.

The full choked guns are guaranteed close-shooting, hard-hitting guns, and are unequalled for ducks, geese, fowls and all long-range work.

A circular giving large illustration, with full description of this handsome new gun, sent free on request or with complete 128-page catalog for 3 stamps.

HEALTH AND BEAUTY.

Practice deep breathing. A person with fully developed lung capacity purifies his blood several times per minute.

A cup of cold water before retiring and a cup of hot water in the morning before breakfast work like magic as a cure for indigestion.

Almond meal is preferred by some women to soap and acts as a pleasing alternate to soap at any time. This softens, cleanses and whiten the skin.

The most easily digested foods which contain the greatest amount of nourishment and are free from acids and starches are those best adapted to the child's needs.

Rubber gloves to wear when washing china and old kid gloves when dusting are an inestimable boon to housekeepers, for nothing so ruins the skin as coarse soaps, soda and dust.

To soften and perfume the bathing water mix together four ounces of alcohol, one-half ounce of ammonia and one dram of oil of lavender. A few drops of this mixture will be sufficient for a bowlful of water.

Generous.
"This is a fine country, Bridget!" exclaimed Nora, who had but recently arrived in the United States. "Sure, it's generous everybody is. Easing Whooping Cough.
"When my boys had the whooping cough," said the mother who was not afraid to try simple home remedies, "I greatly relieved their paroxysms of coughing and reduced the number by having the children gargle frequently with lemon and water."
"I also gave them a laxative diet and kept them in the open air as much as possible. Two of the boys who had it in summer fairly lived out of doors, and each day I would make them take sun baths and run barefooted."
