A man in Drain recently bought a goat for which he paid \$5. Shortly after he received a tax bill on the goat for \$8. He called on the assessor, and said: "Why do you tax me \$8 on my goat when I paid but \$5 for him?" G. L. Holbrook was in Monday from the desert. He reports little snow, and much rain out there. But he says that the prospects are splendid for stock of all kinds, as feed now promises to be unusually abundant. Grass is now starting nicely.

Joe Ambrose, the "Sage brush Philosopher," was in town Saturday from the west side and says he will soon begin plowing. He thinks the earth is something the matter with people. They are never satisfied, and always grumbling. Last summer they growled because it was so dry; now they howl because it is too wet. He thinks such folks are on the road to something that will be neither dry nor wet,

but all-fired hot! Maybe Joe is right and maybe he is wrong. Anyhow all the preachers are on his side in thought!

Few people here know that you can cure that dread American disease, Rheumatism, with just common, every day drugs found in any drug store. The prescription is so simple that any one can prepare it at home at small cost. It is made as follows: Get from any good prescription pharmacy Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by taking in a bottle and take in teaspoonful doses after each meal and at bed time. These are all simple ingredients, making an absolutely harmless home remedy at little cost.

Rheumatism, as every one knows, is a symptom of deranged kidneys. It is a condition produced by the failure of the kidneys to properly filter or strain from the blood the urea and other matter, which, if not eradicated, either in the urine or through the skin pores, remains in the blood, decomposes and forms about the joints and muscles, causing the untold suffering and deformity of rheumatism.

This prescription is said to be a splendid healing cleansing and invigorating tonic to the kidneys, and gives almost immediate relief in all forms of bladder and urinary troubles and backache.
