HOMESTEAD RELINQUISHMENT—80 acres, of which 30 acres will make good farm land when cleared of the timber now standing on it, and the balance is No. 1 pasture land. There two good plows, and a large creek flows through the place. The county road passes directly by the house, on which there is a daily stage. The improvements consist of only a small house and barn. This tract is within six and one-half miles of Lakeview. There is standing timber sufficient for at least 2,000 cords of wood. This is the very place for some one who wants to work and make a good living while improving the claim. For obvious reasons the owner wishes to dispose this claim at once, and unless this relinquishment is secured within the next thirty days, this offer will be withdrawn.
