## SILVER LAKE NEWS

The contract for cutting wood advertised in last week's Leader by F. M. Christian, was awarded to Rhotan Bros., whose bid was \$2.10 for 24 inch, and \$2.75 for 16 inch wood per cord.

Chas. H. Kelly made final proof on his desert claim before U. S. Commissioner West last Saturday. He has been to great expense, digging wells and installing a rotary pump and gasoline engine, but he has a fine farm now, and says the results justify the expenditures.

S. A. Lester and W. D. West went down to Sumner Lake last Sunday on a business and pleasure trip combined. While gone Mr. Lester purchased a gasoline engine and pump which he will use on his ranch for irrigation. Both say the grain in Silver Lake looks better than in Sumner Lake.

## Happy on \$4 a Day

The Bertha (Minn.) Headlight says: Louis E. Smith writes R. F. Huns from Lakeview, Oregon, that he is well pleased with Oregon and that he has found steady employment at \$4 per day. Horace (Greely) advises to young men appears to be as pertinent now as when the great editor gave it way back in the 90's. There are splendid opportunities in the West for young men of grit and energy and the Headlight notes with pleasure that Lewis Smith belongs in that class.

If you desire to get the daily San Francisco Bulletin and the Lakeview Examiner, at wholesale rates, you will have to hurry, as the deal is liable to be called off any day.

Many remarkable cures of stomach trouble have been effected by Chamberlain's Stomach and Liver Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price 25 cents. Samples free at Daly and Hall's drug store.

**MUST HAVE BEEN THE N. C. O.**  
Passenger Agent—Here are some post card views along our line of railroad. Would you like them?  
Patron—No thank you. I rode over the line one day last week and have views of my own on it.—Chicago News.

**S. R. N. Pies**  
Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is born nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by Daly & Hall.

**KNEW HIS RIGHTS**  
Cook (angrily)—See here, you little imp; did you take that cake off the shelf?  
Small boy (son of an attorney)—I decline to answer any questions until I have conferred with my lawyer.—Chicago News.

**No Need of Suffering From Rheumatism**  
It is a mistake to allow any one to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Daly & Hall.

**THE OLD SCAMP**  
An elderly farmer up in Maine lost his wife, and his nephew was taking the old man back to the empty farm house.  
"Well," said the old man, after a long silence, "46 years I suppose she was a good wife to me. She was a good cook and a good housekeeper, and she kept me well red up; but, do you know," he added, "I never liked her."—Success.

We do not know of any other pill that is as good as DeWitt's Little Early Risers, the famous little liver pills—small, gentle, pleasant and sure pills with a reputation sold by Daly & Hall.

While chasing a calf last Tuesday morning J. J. Reeder had the misfortune to stub his toe against the upturned toe of a pitchfork which lay on the ground. The point penetrated the entire length of the toe, making a very painful though not serious wound. He will be unable to show up at the shop for a few days.

Two more young ladies filled on homesteads near Fort Rock this week. From the way the young ladies, old maids and grass widows are coming into this country and taking up land the old bachelors will soon be in the minority. They have been in the majority so long they grieve as they realize their party sink lower. The only way they can regain prestige is to form a fusion party, then the probability is that they will have to play second fiddle.

A rumor circulating through the country that flour is selling at 80 per hundred in Silver Lake, is absolutely false.

Thos. W. M. Macaulay, of Fremont, got a fine well of water at 47 feet on 25-11, and is now building.

## The Farm He Wanted

One does not always realize the value of his own possessions. A farmer had decided to sell his farm and was advertising it with an up-to-date editor, who wrote a good description of it, and read it over to the farmer for his approval. The farmer said, "Please read that again." After the second reading the farmer sat in a thoughtful mood for several moments and finally said: "I don't believe I want to sell. I have been looking for that kind of a place all my life, and it never occurred to me that I had it until you described it to me. No, I don't want to sell. Here is \$5 for your paper for two years."

**EASY.**  
Old Doctor—I was successful in my first case.  
Young Doctor—Indeed?  
Old Doctor—Yes. The executor of his estate paid my bill without a murmur.—Cleveland Leader.

**A Thrilling Rescue**  
How Bert R. Lean, of Cheney, Wash., was saved from a frightful death is a story to thrill the world.

"A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." For Lung Trouble, Bronchitis, Coughs and Colds, Asthma, Croup and Whooping Cough its supreme. \$50c and \$1.00. Trial bottle free. Guaranteed by A. L. Thornton.

**THE MEAN THING.**  
Mrs. Hoyle—My husband always smokes after a good meal.  
Mrs. Doyle, Do-s'n't he ever smoke at home?—Home reading.

**COULDN'T LET THE CHANCE**

Mother—Johnny, Johnny, why are you slapping little sister?  
Johnny (sullenly)—Auntie made me.  
Auntie—Why, Johnny, how can you tell such a falsehood?  
Johnny—Well you did. You said you'd never kiss me again if I hurted my little sister.—Judge.

**Born in Iowa**

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea remedy (made at Des Moines) for years. We know how good it is from experience in the use of it. In fact when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narvoo, Wis., and have introduced the remedy there. It has proved very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by Daly & Hall.

## Edison's Cement Houses

Edison now claims to have solved the problem of building cement houses at a cost of \$1,200, which if built out of stone or lumber would cost twenty-five thousand. They must, however, be built in blocks and each house will contain six rooms and a bath with a cellar under the whole house. The floor space will be twenty-five by thirty feet. It will take four days to set up the moulds and the liquid concrete can be poured in six hours and after eight days from the time the concrete is poured the house will be ready for occupation. This looks like a fairy story but he gives the information to the press and authorizes it to be published and therefore there must be something tangible about it. This is indeed the cement age.

**PUNISHED.**

Mrs. Kidder—I hear that young Blinks is married.  
Mr. Kidder—Good. I never did like that man.—Exchange.

Sometimes you may be told that there are other things just as good as DeWitt's Kidney and Bladder Pills. That isn't so. Nothing made is as good as DeWitt's Kidney and Bladder Pills for any ailments of the kidney, or bladder which always results in weak back, backache, rheumatic pains, rheumatism and urinary disorders. A trial of DeWitt's Kidney and Bladder pills is sufficient to convince you how good they are. Send your name to E. C. DeWitt & Co., Chicago, for a free trial box. They are sold here by Daly & Hall.

**BROUGHT DOWN TO DATE.**

"Man wants but little here below, but wants that little long," is what they sang some years ago—but now it's different quite, though fully as sublime. "Man wants every thing in sight, and wants it all the time."—Judge.

**Trouble Bakers Ousted**

When a sufferer from stomach trouble takes Dr. King's New Life Pills he's mighty glad to see his Dyspepsia and Indigestion fly, but more—he's tickled over his new, fine appetite, strong nerves, healthy vigorous, all because stomach, liver and kidneys now work right. 25c at A. L. Thornton's.

**THE AUTOCRAT OF THE AUTO.**

"Biggins worries me by his imperious assumption of superior wisdom."  
"Well," answered Mr. Chuggins, "he'll get over that. He's bought a new motor car, and a few haughty glances from the chauffeur will convince him that it is not his place to offer any suggestions."—Washington Star.

**Women Who are Envious**

Those attractive women who are attractive in the face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be sickly and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such Electric Bitters work wonders. The Tent and Campers Outfit go in a Trunk. We fill the balance of this trunk with a tray which holds blankets and wearing apparel, condensing a traveler's baggage to the cost of this entire outfit is \$15.00. Terms: \$5.00 with the order, \$5.00 before the shipment of the goods from our factory. The final payment of \$5.00 can be paid to the express company C.O.D., with privilege to examine. The opening of the Oregon Military-Road Grant at Lakeview (of the Oregon Valley Land Company) will take place September 9th.

Thousands of people from all parts of the United States will attend this affair which will be the greatest land opening ever held in the United States. Lakeview is destined to become one of the great commercial centers of our country, immense preparations are going on to take care of the vast multitude that is going to assemble there in September. Not a single room, house or store can be rented for shelter or for any other purpose as many people who intend to be present at the opening have taken all the room available for sleeping purposes.

The climatic conditions in Southern Oregon are such that people can live outside in the open while here.

The General Agent of the Oregon Valley Land Company advises us that it is best to make ample preparations for this occasion, as those not used to outdoor life would find a great hardship to sleep in the open. Residents of Lakeview advise us that to live in a tent in a regular camping way will answer all purposes. We advise you, if you intend to be present at the opening, to prepare yourself in every way possible.

By having such a camping outfit you will save a great deal of money which otherwise you would have to spend for sleeping room and living, which will only be available to a lucky few.

Up to the present time we have taken orders for a great many of these outfits for people who will go to Lakeview. These outfits are not made up except to order, so if you wish to avail yourself of the opportunity of getting one of these light-weight camping outfits at such a reasonable price, you had better send in your order at once. On account of the orders received and coming in daily, we will be unable to fill your order earlier than thirty days from receipt of same.

Assuring you that you will be more than satisfied with this camping outfit, and that it will be of great service to you, we beg to remain, Yours very truly,

**The Bend Bulletin says:** Of course it is unconstitutional to tax the rich man through an income tax but perfectly just and proper to tax the consumers—chiefly poor people—by means of an exorbitant protective tariff.
