### Another Candidate For O. V. L. Trustee

To Oregon Valley Land Contract Holders:

Believing it is the desire of all contract holders in the Oregon Valley Land Co. that the distribution and adjustment of affairs connected therewith should be conducted with honesty, equity, and efficiency, and believing that it is well understood by all purchasers that these matters will be placed in the hands of three trustees to be chosen by us from our members, and in view of the fact that Kansas furnished more contract purchasers than any other state, we feel that our state is entitled to one trustee. In view of the further fact that McPherson is the strongest and rallying ground of the Kansas Delegation, we feel that McPherson should be allowed to name this trustee.

We feel confident that the McPherson candidate can be more easily elected than from any other locality, because of the strong, enthusiastic local backing and many outside delegations already pledged to his support.

At a recent public meeting of the McPherson purchasers, Prof. C. W. Kline was unanimously declared McPherson's candidate for trustee.

In Prof. Kline we find in a marked degree a union of all qualifications for the highest idea of trusteeship, efficiency, integrity and honor. Prof. Kline has been superintendent of the McPherson schools for several

years past, commanding the respect and esteem of all business men with whom he has come in contact. He has the business and executive ability to carry to a successful termination any project he may undertake. He was raised on a farm and is an excellent judge of farm land.

In view of the above and many more reasons that might be enumerated, we earnestly solicit the support and co-operation of all representatives in the election of Prof. Kline as one of the trustees. It will be impossible for the committee to mail a letter to all contract holders and it is earnestly requested that those who receive this notice in the columns of the Lakeview Examiner do all they can among their friends to secure the election of Prof. Kline.

Thanking you in advance for the pledge of your support in this matter, we are,

- Yours Very truly,  
 Eben Carlson, Postmaster, Lindborg, Kas.  
 Geo. Edgcomb, Co. Supt., McPherson, Kas.  
 Dr. J. C. Bremen, Physician, Roxburg, Kas.

John Aden, late of Wichita, Kas., has just returned from a trip to Warner valley in company with John Cogburn, of the Pacific Land Co. and is very enthusiastic over the country. He secured a desirable desert claim on the shore of the beautiful Flagstaff lake, where he can hunt, fish, raise alfalfa, fruit, and in a short time lead the life of a king in ease and contentment. Those who neglect to secure some of Uncle Sam's domain, while it is going will live to regret it. Land is becoming scarcer and dearer all the time.
