JUST AS GOOD AS EVER TOO.

An old physician was noted for his brusque manner and old-fashioned methods. A lady called him in to treat her baby, who was slightly ailing. The doctor prescribed castor oil.

"But, doctor," protested the young mother, "castor oil is such an old-fashioned remedy."

"Madam," replied the doctor, "babies are old-fashioned things."—Judge's Library.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar, of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believed it would have saved me a hundred dollar doctor's bill." Sold by Daly & Hall.

Over Thirty-Five Years

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought in to use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by Daly & Hall.
