O. V. L. CONTRACT HOLDERS TAKE NOTICE

After September 9th., we will be prepared to sell, buy, exchange or report on your tracts secured from the Oregon Valley Land Co. In reporting on these tracts we personally examine and

furnish a sworn report on topography, soil, water, im! provements, growth on land, estimated value, roads, general location,-in fact we furnish such information as will enable you to sell, buy or exchange your lands intelligently without having to go to the expense of looking them over personally.

Anticipating that out of the large number of purchasers of these lands, many will want reports on their tracts. we are making a very low rate for examination and report, our charges being less than you could possibly make personal examination for, even though you knew just wher your tracts were located. Examinations and reports will be made in the order in which they are received so it is important that you make your application as soon as possible, in order to get an early report.

All reports will be acknowledged and sworn to before a Notary. Charges and terms given on application.
