

# Oregon Valley Land Co. Contract Holders

We have a complete list of all farms, owners and addresses in the Oregon Valley Land Co. opening and are prepared to negotiate leases, sales and exchanges.

We are the ONLY firm in the state of Oregon showing this complete data, and are prepared to make PERSONAL examinations of EVERY tract and furnish reports to applicants for a small fee.

REMEMBER our examiner is a LICENSED surveyor who was County Surveyor of Lake County for 16 years and knows the old Road Grant better than any other living man.

REMEMBER, also, that every report is SWORN to before a notary public, hence is NO GUESS WORK.

REMEMBER-also, if our report turns out false, we agree to return to applicant TWICE the amount he paid us for examination.

Look up our record and write us at once.
