Smiles and Squalis

The Pennsylvania Central railroad has forbidden its employees to use tobacco in any shape, while on duty. Other railroad promises to follow suit. And thus another terrible bogey blow is made against the tobacco trust!

A Goldfield man Juliette Schwan, went to marry a Jap because she is "old" and homely and none of her own race will have her. No judge or minister, however, will marry the couple either at Goldfield or Tonopah. What's the matter with Charlie, the ladies man in Tonopah, that he doesn't save this lady from marrying an Oriental?

In speaking of the danger of communicating disease by means of kissing, a doctor says there may be danger, but it is a mighty poor sort of a man who is not willing to take some chances in matters of that kind. That's our opinion by a very large majority.

At last Tait has made a hit. In a speech at Chicago, on St. Patrick's day, he mentioned Tait's name, and everybody hurried!

PROFESSIONALS VS THE AMATEURS

The game of baseball played Sunday between Tuffys Professionals and Judges Amateurs resulted in a victory for the former athletes by the score of 11 to 7. The line up was as follows: Dikeman, P.; Coover, C.; J. Graves, 1B; McCool, 2B; B. Graves, 3B; Carrel, S.; Tuffy, C. F.; McDonald, L. E.; Coabell R. E. for the Professionals and Reynolds and Cause P.; Gore, P.; Swift, 1B; Sprague, 2B; Cause, 3B; Janice S. S.; Harl, C. F.; Southston, L. F. and Funk, R. E. for the Amateurs.

The game while the first real lineup of the season and considering that to many of the players the positions were new, was played with brilliant work at times. Dikeman besides catching a masterly game made two splendid catches that brought the spectators to their feet and the holding of the difficult position was at most perfect. Carrel started with his three fingers at the bat driving his long honors for his side with Jimmy Gowen whose cork with the strike was of a high order. Reynolds did up in the sixth after the mighty soldiers of the Hickory got to him and was relieved by Cause who did fairly well in holding the opposition to a low score. Gore made a two runner and with Funk took the batting honors for his side. The playing of Sprague on a pond was masterly if he keeps up the gait that he has set during the balance of the season there will be a new man on the payroll of the Chicago White Sox next year. Boyer acted as "Big Camp" and did fairly well. The proceeds of the game go toward placing the grounds in good condition and there will be much better work done when the boys get used to the grounds. Attendance was good.

EXPERIENCE NOT NECESSARY.
"I believe I'll open a dramatic school," said the seedy-looking man.
"Why? You never have been on the stage have you?" asked the preacher.
"No."
"Then how do you expect to be able to teach people to act?"
"It's simple enough. You're teaching people how to be angels, aren't you? Have you ever been in heaven?"—Chicago Record-Herald.

It now looks as though Indiana is lost to the republican party unless the insurgent senator Beveridge on account of his record against Aldrichism and Cannonism, is strong enough with the people to elect a legislature favorable to his re-election.

Sale of Sheep

The Bieber Gazette says three flocks of sheep changed hands here the first of the week, when J. A. Carpenter purchased the Aston Ayilla band, numbering 1400 head, Roy Richmond's sheep, 1220 head, and 400 head belonging to T. J. Kennedy. The sheep were in fine condition, and all came and brought in the neighborhood of \$0 per head.

Land Going Fast

The Silver Lake Leader says that new comers up there are taking land pretty fast, and some of them say that is the most beautiful country they ever beheld. That paper says that is still good land there, but at the rate people are now coming in it will not last much longer.

The Delineator

"The Rising Cost of Living" is a symposium in The Delineator for April in which ten distinguished men representing different walks of life contribute. The whole field of high prices is covered, as each of the writers takes a different angle. "The American Farmer's Wife—Her Problem" helps solve the puzzling question of the woman on the farm. Etha Childs Durr handles the church problem in "The Institutional Church." The fiction is by Zona Gale, Richard Washburn Child, Grace MacGowan Cooke, and a new serial, "The Unforeseen," is begun by Mary Stuart Cutting. The early summer fashions are set forth attractively in color and in words of authority. The number is well balanced and pleasing.
