## WINDY HOLLOW SALE

Half Interest in Gold King Group Is Sold

Loftus Bros. Receive \$6000 for Small Part of Holdings and Purchaser Wanes More

That the Windy Hollow Mining District is decidedly on the map is demonstrated by the sale of a half interest in the Gold King group of three claims, by Fred and John Loftus to a gentleman that desires to have his name withheld for the time being, the consideration being \$6,000 for the half interest. The purchaser came here last fall and looked the ground over then returned this spring and closed the deal as soon as he saw what had been done in his absence.

Victor Maxwell is the owner of an adjoining claim and has had an offer from his holdings but has declined to sell.
