

O. A. C. Quarter Centennial

The Quarter Centennial of the Oregon Agricultural College will be celebrated Tuesday, June 14. The annual Commencement exercises will take up the three days immediately preceding that date.

Excursion rates of a fare and a third will be in operation on all railroads within the state and special trains will be put on wherever there is a demand. A rate of one fare for the round trip will prevail on these trains.

Many prominent men of the state and nation will be scheduled for addresses. The best musical talent available will be engaged. The Alumni and students will present features which will add greatly to the interest of the event.

Preparations are being made for the entertainment and accommodation of the largest crowd of visitors that has ever invaded the city. The Alumni of the College will be back in great numbers to assist their Alma Mater in her great celebration and many people of the state are expected to avail themselves of this opportunity of visiting the college.

AN IDEAL HUSBAND

is patient, even with a nagging wife for he knows she needs help. She may be so nervous and run down in health that trifles annoy her. She is melancholy, excitable, troubled with loss of appetite, headache, sleeplessness, constipation or fainting and dizzy spells, she needs Electric Bitters the most wonderful remedy for all women. Thousands of sufferers from female troubles, backache, nervous trouble and weak kidneys have used them and become healthy and happy. Try them. Only 50c. Satisfaction guaranteed by A. L. Thornton.

As to Squatter's Rights

Some of the locusts at Fort Rock that are placing settlers on some of the unsurveyed townships in that section of the valley are telling them that all they have to do to hold the land until a survey is made of the townships, is to post notices on the corners of the land taken and then go about their business. This is misleading and actually dishonest, as no unsurveyed agricultural lands can be held without an actual residence and possession by the settler. A man in order to hold his "squatters rights" must improve the land and remain on it until he has an opportunity to file after it has been surveyed. Any other method is misleading and unsafe.

LION FONDLES CHILD

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Croup, Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George B. Davis, of Flat Rock, N. C. "We always give it to him when he takes cold. It is a wonderful medicine for babies." Best for Coughs, Colds, Laryngitis, Asthma, Hemorrhages, Weak Lungs, Sore Throat, Whooping Cough, Sore Throat, Sore Throat, Sore Throat. \$1.00 Trial bottle free. Guaranteed by A. L. Thornton.

Nations Are Anxious For Peace, but All Prepare for War.

By ANDREW CARNEGIE.

I LIVE in the belief that soon men will awaken to the greatest of all duties. We have abolished slavery—the owning of man by man. There remains the greater sin of the KILLING OF MAN BY MAN.

Our race has abolished private war—duels—between men and established the rule of law. No man can dishonor another. No nation can dishonor another. All honor's wounds are self-inflicted. Therefore, every civilized man must submit his wrongs to a COURT OF LAW.

It devolves upon our race to teach the civilized world that INTERNATIONAL DISPUTES MUST LIKEWISE BE SETTLED BY LAW and the reign of international peace established.

Every ruler and every statesman proclaims that the money that is spent upon armaments, military and naval, is solely TO SECURE PEACE, and in this these men are absolutely honest.

THERE IS NOT A RULER OR STATESMAN IN THE WORLD TODAY WHO DESIRES WAR, BUT WHILE EVERY NATION BUILDS ITS FLEETS EVERY ONE OF THESE FLEETS BECOMES A MENACE TO OTHER NATIONS BECAUSE THEY CAN EASILY BE CONVERTED INTO INSTRUMENTS OF DESTRUCTION.

Athletics Have Made American Women the Most Beautiful.

By WILLIAM M. CHASE Artist.

I N gaining on the sterner sex in physical accomplishments the woman of today is also GAINING IN BEAUTY.

NEVER IN THE HISTORY OF THE WORLD HAS THERE EXISTED SUCH BEAUTY AS THAT OF THE EMBRYONIC AMAZON TYPE OF AMERICA.

The SANE HABIT OF EXERCISE of the present generation is forming a NEW TYPE OF WOMAN with more physical perfection, therefore more strength, more beauty. American women particularly are becoming MORE BEAUTIFUL EVERY DAY.

In no quarter of the globe, nowhere in the world, is there a beauty comparable with that of the athletic American woman of today.

Englishwomen have been famous always for their marvelous complexions gained through exercise. But not even Englishwomen can compete with Americans. I would say that it is the mingling of the races here which has a great deal to do with this, but not nearly so much as their habits of taking EXERCISE. Nothing has done so much to improve woman's beauty as has golf, but tennis is a good second.

MAN WANTS TO DIE

only when a lazy liver and sluggish bowel cause frightful despondency. But Dr. King's New Life Pills expel poisons from the system; bring hope and courage; cures all Liver, Stomach and Kidney troubles; imparts health and vigor to the weak, nervous and ailing. 25c at A. L. Thornton's.

Drying preparations simply developed by dry catarrh; they dry up the secretions which adhere to the membrane and become gummy, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm will master catarrh or cold in the head easily and pleasantly. All druggists sell the 50 cent size. Ely Brothers, 56 Warren Street, New York.

The Balm is used without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. Ely's Cream Balm contains no cocaine, mercury nor other harmful drugs.
