DAVIS CREEK ORCHARD TRACTS
IRRIGATED

In the first place the Davis Creek District of the Golden Goose Lake Valley has long been noted for its soil and climatic conditions, both of which are favorable to the perfect culture of truck, berries and fruit, and here is the proof of the pudding: Davis Creek can show the

Largest and most successful orchards
of the whole of Goose Lake Valley—This is a fact

2nd. Together with the lands that we are offering for sale, the entire water system is included; this is a most important feature, this includes some 240 to 300 acres of land used as reservoir, dam, all ditches, headgates, etc—all goes to the buyers of the tracts in proportion to their holdings. No future exorbitant maintenance charges to some corporation, company or individual.

3rd. All these lands easily handled, in fact a great part already under cultivation, four of the tracts have houses on them now that go with the land

Write at once for booklet giving complete information, plat of the tract, etc This booklet is beautifully printed, gives excellent photos and facts to those who are interested.

10 acres \$750 and you own the water—easy terms—\$50 down and \$25 per month—no taxes, no interest—10 per cent discount for cash.
