### BUILDING TODAY TO

The Davis Creek Orchard Tracts, one of the surest, safest investments of the West. Remember no crop failures due to too much or too little rain, no malaria, no anything that makes farming a fight, but everything to make gardening a pleasure and approfit. Altitude 4790 feet, air drv, crisp, health-giving and invigorating; scenery magnificent; life as nearly ideal as one can ask for this side of Kingdom Come. And you own YOUR OWN WATER SYSTEM. All the lands of the reservoir, the dam, ditches, and all improvements, are deeded direct to buyers of the tracts.

Note the above news item from the Lake County Examiner under date of June 9, 1910. For full particulars, price, fac-similie letters from neighboring farmers as to what they produce on 10 and 20 acres joining our land, write today, now, ask, it may be the means of starting you right, getting a support for yourself and family when times are hard and the salary check don't show up regular. Be independent, produce your own livelihood, on a fruit or truck farm
