The contract has just been let for the immediate construction of the last six miles of the N. O. O. Ry., which now brings it January 1, 1911, into Davis Creek.

Some of the finest Orchard Land that lays out of town is now open up in small tracts, within the reach of rich or poor—terms or cash discount.

We guaranteed to deliver water in the Spring of 1911. The combination of land and water, ready for immediate cultivation, and the transportation right at hand, can't be beat at present prices.

If you are a resident of California or Nevada, go to Reno; take the N. C. O. Ry. to Alturas and drive up to Davis Creek. We count the most earnest settler of Davis Creek, there are ample room for our ability to produce fruit and vegetables in wonderful flavor and variety. See for yourself.
